Hunter, Healer Jun 27 2019 Their first mistake? Kidnapping her lover. Their second? Thinking she wouldn't do something about it. The black-ops government agency known as Sigma has shattered the resistance, destroyed its infrastructure, and taken its best operative captive. It's about as bad as it can get, but Sigma's forgotten one thing: Rowan Price. Rowan is no longer a civilian in the shadow war. Her talents are fully trained, and she's become something she never dreamed of--a cool, clinical, lethal psionic operative. Working as Henderson's second-in-command, she's utterly focused on two things: repairing the Society's infrastructure and rescuing Justin Delgado. Yet

under her shell of calm and gentleness, her rage is simmering . . . and it's about to break loose. Delgado knows he can't remember something important. He puts up with Sigma's beatings and questioning, the pain and the torture. Sigma keeps asking him the same question--where is Rowan Price? He doesn't know who this woman is or where she is, but if he can escape Sigma one more time, he's damn sure going to find out. Because Price, whoever she is, holds the key to his fractured memories and destroyed soul. But first, he has to get out. Then he'll find Rowan Price. Unfortunately, that may be the one thing Sigma's counting on. "Exciting, great characters and one of the best books I've read this year."--Book Bag Reviews on The Iron Wurm Affair "Saintcrow has a gift for making readers really care about her characters' emotional health, not just the story, and, oh, what a story it is."--USAToday.com on The Hedgewitch Queen Lilith Saintcrow lives in Vancouver, Washington, with her two children and assorted other strays. The Society Jun 19 2021 "The dark romance of this story is spell-binding," --Fantasy Girl on Dark Watcher "I highly recommend this series for any fans of William Gibson, Lost Girl or the Angel/Buffy-verse."--Pajiba.com on Saint City Sinners Will she be the Society's salvation . . . or its downfall? The black-ops

government agency called Sigma broke Justin Delgado, trained his psionic talent, and turned him into a killer. Then he escaped and joined the Society, an underground resistance movement of psions determined to use their talents to bring Sigma down. Competent, cold, and cruelly efficient, he's the best operative the Society has, a legend among the psions who fight a shadow war against an enemy that owns the courts, the press, and the police. Feared even by his own teammates, hunted by the government, and too damaged to feel anything but clinical rage, he is utterly alone--until he meets Rowan. When Rowan Price stumbles across Delgado's team in an abandoned house, he is assigned to make contact with her, bring her in, and keep her alive--because Rowan is one of the most powerful psychics the resistance has ever encountered. If the government gets its hands on her, she could very well mean the downfall of the resistance, because nobody, not even Rowan, is quite sure how far her talents extend. The Society will welcome Rowan, if she can stay alive long enough to join them. Unfortunately, there's a traitor buried in the ranks. If the Society goes down, Rowan is at risk. God alone knows what Delgado will do to keep her safe, because Rowan is fast becoming the only thing in the world he cares about . . . Steelflower Dec 14 2020 Kaia Steelflower, assassin and thief, has picked the wrong pocket. **A Rush of Wings** Nov 12 2020 HIS NAME IS DANTE. Dark. Talented. Beautiful. Star of the rock band Inferno. Rumored owner of the hot New Orleans nightspot Club Hell. Born of the Blood, then broken by an evil beyond imagination. HIS PAST IS A MYSTERY. F.B.I. Special Agent Heather Wallace has been tracking a sadistic serial murderer known as the Cross Country Killer, and the trail has led her to New Orleans, Club Hell, and Dante. But the dangerously attractive musician not only resists her investigation, he claims to be "nightkind": in other words, a vampire. Digging into his past for answers reveals little. A juvenile record a mile long. No social security number. No known birth date. In and out of foster homes for most of his life before being taken in by a man named Lucien DeNoir, who appears to guard mysteries of his own. HIS FUTURE IS CHAOS. What Heather does know about Dante is that something links him to the killer -- and she's pretty sure that link makes him the CCK's next target. Heather must

unravel the truth about this sensual, complicated, vulnerable young man -- who, she begins to believe, may indeed be a vampire -- in order to finally bring a killer to justice. But Dante's past holds a shocking, dangerous secret, and once it is revealed not even Heather will be able to protect him from his destiny....

Hunter's Prayer Jul 09 2020 Jill Kismet, Dealer in Dark Things. Spiritual Exterminator. Demon Slayer - it's not the type of work you can put on a business card. But every city has people like me. Usually the police have us on payroll as consultants, because what ordinary cop can face down a Were or an ordinary shapechanger, or an Assyrian demon? Not to mention the silvers or the Black Mist, the adepts of Sorrow House or of the Middle Way? What ordinary cop stands a chance against a Trader, even? People disappear all the time, it's an epidemic; some of the

disappearances are murder, some are fugitives, some are kidnapped by other human beings. Some of them are even found again. But a good proportion of them are taken by the things that go bump in the night. And then it becomes a hunter's job to bump back. Hard.

Praise: "Urban fantasy has a special place in my heart, and the Occult Detective is perhaps the fundamental urban-fantasy archetype. An anthology of this kind is can serve two purposes: The first is to provide a taste of the genre to those that might otherwise be unfamiliar with it,

and the second is to provide fans of the genre a chance to discover writers they may not have already come across. It was well worth the read and I would recommend it wholeheartedly for any fan of the urban fantasy/occult detective genre; even more so if you are unfamiliar with the genre and would like a taste as to what it's all about." — Nick Bronson -- "Urban Fantasy readers will love this book, and it is a first-rate group of stories." — Paul Lappan, Reviewer
