Girl in High Heels Mar 14 2021 "He thought I was different from all the other girls and really shouldn't be there. A lot of men think like that; they want to save you. When it was time for his party to leave he reached into his pockets and pulled out a huge wad of notes. It was near

High Heels in the Highlands Apr 26 2022 "I really fell head over heels in love with the story...Recommend it to all feelgood lovers out there!" "????? Reader Review Clementine's swapped a London flat for a Scottish castle – but will she get her fairytale ending? After discovering they had inherited an enormous fortune, as well as the titles of 'Lady', the lives of the five Hiverton sisters have never been the same. While oldest sister Anana settles in Norfolk, fashion designer Clementine heads to the Scottish Highlands to investigate their newly inherited castle. Not bad for a girl brought up in poverty in a tiny house in East London... However, Lady Clem quickly finds out that Ruacoddy Castle is falling to pieces, the neighbours – especially grumpy young farmer, Rory – are suspicious of her and the eccentric housekeeper, Ottoline, is still in residence. But just as Clem starts to embrace her new life in the Highlands, growing closer to Rory and forming a friendship with Ottoline, she stumbles upon a secret in the attic that could destroy the Hiverton family. Can she save the castle as well as her family's reputation? What happens when an unstoppable force meets an immovable object? Take a trip to the gorgeous Scottish countryside with this utterly feelgood and hilarious read – fans of Jenny Colgan, Holly Martin and Cressida McLaughlin will love this! Readers love Clem's story! "Such a lovely, humorous, light-hearted and heartwarming read...I absolutely loved this book and will definitely read the others in the series." "????? Reader Review "A deliciously fun read...Full of humour and grit...The thrill of the plot along with a superb cast make this a fabulous read." High Heels and Haystacks Mar 02 2020 A boss-employee romance...kind of. Only three things stand between Ava Carmichael and her twelve billion dollar inheritance: 1. A year of living in Bliss, Kansas. 2. A relationship that lasts six consecutive months. 3. A pie. Ava has run a multi-billion-dollar company, negotiated with shark investors, and hobnobbed with business royalty, but she's about to be defeated by her inability to turn sugar, flour, and apple pie filling into something edible. Conveniently, the owner of the diner next door, Parker Blake, is magic in the kitchen. And he technically works for her. So she can make him teach her to bake. And, hey, if everyone assumes they're heating up more than the oven during their time in the kitchen...well, that's called multitasking. Parker Blake likes his women the way he likes his coffee: not in his diner. But gorgeous, strong-willed, type-A Ava clearly isn't going to stop messing up his kitchen—or his simple, stress-free small town life—until the conditions of her daddy's will are met. So, sure, he'll teach his "boss" to bake. But once the kitchen door closes, it's pretty clear who's really in charge.

High Heels and Bound Feet May 04 2020 The lucid essays in the original edition of High Heels and Bound Feet drove lively discussions and engagement with core anthropological concepts in traditional and online courses. Lenkei showed how one's daily life at work, at school, at home, and at play could be more engaging and provocative when viewed through anthropology's multifaceted lens. The slightly expanded Second Edition is freshened by the addition of seven new essays. Each continues to illustrate myriad possible applications of concepts and methods from anthropology to everyday experiences. While essays focus on cultural anthropology, the inclusion of topics on linguistics, biological anthropology, and archaeology brings attention to the holistic nature of the discipline. All essays conclude with material useful for assimilating content: Thinking It Through, Anthropological Terms, and Thinking Practically. According to the author, education should color one's life and broaden one's perspective. High Heels and Bound Feet, 2/E will pique readers' interest as they discover how anthropology informs, energizes, and infuses their lives every day.

Killer Heels Nov 02 2022 This gorgeous book explores the fashion world's most coveted and iconic object—the high-heeled shoe. Killer Heels explores the rich cultural history of the high heel and its relation to power, fantasy, sexuality, and identity. More than 160 spectacular contemporary and historical shoe designs—from sixteenth-century Venetian platforms to twenty-first-century Christian Louboutins—play with the cultural and artistic possibilities of the high heel, use innovative or unexpected materials, and push the limits of functionality and beauty. Complementing the shoes are stills, sketches, and artist statements for six films specially commissioned for the exhibition from Ghada Amer and Reza Farkhondeh, Zach Gold, Steven Klein, Nick Knight, Marilyn Minter, and Rashaad Newsome that explore a range of provocative themes and demonstrate the power of the high heel in the collective imagination. In addition, several of the designers included in the exhibition (including Brian Atwood, Zaha Hadid, Pierre Hardy, and Christian Louboutin), along with Elizabeth Semmelhack, Senior Curator of the Bata Shoe Museum, contribute thoughts on topics such as their inspiration and design process, and the cultural significance of high heels. This collection of killer heels is filled with stunning photos and fashion lore. This book accompanies a traveling exhibition: Brooklyn Museum September 10, 2014-February 15, 2015 Albuquerque Museum May 30-August 9, 2015 Palm Springs Art Museum, California September 4, 2015-January 3, 2016 Currier Museum of Art, Manchester, New Hampshire February 5-May 15, 2016

A Low Life in High Heels Aug 19 2021 Bound to captivate the many fans of the motion picture Paris Is Burning, Woodlawn's autobiography is a walk on the wild side with Andy Warhol's last superstar and the avant-garde community of the 1960s and '70s. At the age of 16, Harold became Holly Woodlawn and skyrocketed to fame as a superstar in Warhol's movie Trash. "This is must reading!" -Harvey Fierstein. Photographs.

Chutzpah and High Heels Aug 07 2020 Having grown up in Minnesota, Jessica Fishman moves to a land in the Middle East that is full of idiosyncrasies, terrorists, and beautiful, olive-skinned men. When she arrives in Israel, she is a wide-eyed immigrant hoping to survive on Zionism. But instead of working the land on a Kibbutz or being swept off her feet by a strong, sensitive Israeli soldier, Jessica is faced with a barrage of ridiculous obstacles. She overcomes notorious Israeli bureaucracy, makes embarrassing mistakes learning Hebrew, serves in an army of teenagers, and dates cocky Israelis, until she finally meets one obstacle, rooted in the very ideology that brought her to Israel, that tests the core of her identity. With self-deprecating wit, Jessica takes us on a personal journey through these challenges, weaving a humorous yet heartbreaking tale about losing and finding identity, and offering a seldom-before-seen snapshot of Israeli culture.

Honeymoon in High Heels Jan 14 2020 New York Times and USA Today Bestselling series! "Gemma Halliday's Maddie Springer is like the west coast version of Janet Evanovich's Stephanie Plum - only more stylish!" - LG Book Club Fashion designer Maddie Springer has just tied the knot and is on her way to honeymoon paradise in Tahiti with her hot new husband. Warm sand, cool surf, and a romantic suite all to themselves... what could possibly go wrong? That is until Maddie stumbles on the dead body of a Tahitian dancer, strangled with her own flower lei. Now suddenly her husband is spending more time consulting with the local police than cavorting in their private hot tub for two. If Maddie wants to have a honeymoon at all, it's up to her and her friends to track down the island killer before paradise turns deadly again. High Heels and a Head Torch Apr 02 2020 When Chelsea Duke took a year out to travel round the world alone, she had no idea what she was letting herself in for. Never having described herself as the outdoorsy type or having stayed in a hostel before, life on the backpacker trail held some rather unpleasant surprises. But by the end of the year she had amassed a range of survival techniques to rival Ray Mears, all of which she is generously passing on here. From beauty treatments to do before you set off and how not to kill yourself in a South American shower, to the indispensable nature of the sparkly flip-flop, High Heels and a Head Torch will tell you everything you need to know to keep yourself looking and feeling glam when your wardrobe fits into a shoe box and those little home comforts are a million miles away. As well as lists of DOs and DON'Ts and tons of useful advice on every aspect of the travel experience, including personal safety, High Heels and a Head Torch is full of hilarious anecdotes and is the ultimate survival tool for any glamorous girl about to set off in search of adventure.

Autism in Heels Oct 09 2020 Autism in Heels, an intimate memoir and Wall Street Journal bestseller, reveals the woman inside one of autism's most prominent figures, Jennifer O'Toole. At the age of thirty-five, Jennifer was diagnosed with Asperger's syndrome, and for the first time in her life, things made sense. Jennifer exposes the constant struggle between carefully crafted persona and authentic existence, editing the autism script with wit, candor, passion, and power. Her journey is one of reverse-self-discovery not only as an Aspie but—more importantly—as a thoroughly modern woman. Beyond being a memoir, Autism in Heels is a love letter to all women. It's a conversation starter. A game changer. And a firsthand account of what it is to walk in Jennifer's shoes (especially those iconic red stilettos). Whether it's bad perms or body image, sexuality or self-esteem, Jennifer's is as much a human journey as one on the spectrum. Because autism "looks a bit different in plink," most girls and women who fit the profile are not identified, facing years of avoidable anxiety, eating disorders, volatile relationships, self-harm, and stunted independence. Jennifer has been there, too. Autism in Heels takes that message to the mainstream. From her own struggles and self-discovery, she has built an empire of empowerment, inspiring women the world over to realize they aren't mistakes. They are misunderstood miracles.

Backwards in High Heels Mar 26 2022 The world is a fraught place for the contemporary female. Working mothers are still expected to make their children's costumes for the school play, despite the fact that home economics was abolished in the Seventies; we're told it's not looks but brains that count, and yet if we dare to leave the house looking vaguely our age we're made to feel like failures; women's magazines run earnest articles about the evils of size 00 culture, only to feature models with hips like 10-year-old boys a few pages later; we pay the same level of taxation as men, and yet on average we earn 25% less. So, this book - a book for women who never got around to perfecting the art of domestic divinity but would quite like to be able to cook supper for six without having a nervous breakdown; who never quite mastered Cosmo's 101 ways to please your man, but don't want the embarrassment, not to say inconvenience, of him running off with a 19-year-old Russian supermodel.

High Heel Leadership Feb 10 2021 It's time for more women to rise in their power and take a seat at the coveted boardroom table. It's time for women to learn the art of effective leadership. At an alarming rate, the path to a position of power has left the stronger women weak, angry, confused, and frustrated. Their voices have been silenced as attempts to maneuver through ugly workplace politics, same-sex sabotage and unequal pay have seemingly become the norm or what society has conditioned them to believe comes with the territory. It's time we embrace our roles, learn how to play the game, and understand that changes in the workplace won't happen until we do something differently. We have the power and the obligation to evoke change.

Mommy's High Heel Shoes Dec 31 2019 After Mommy leaves for work, her children play with the many shoes in her closet. The story explores the subject of why mothers work and celebrates a working mother's relationship with her children. Hidden pictures are included in each page.

The Gray High Heels May 16 2021 My mother probably came up with the idea "if the shoe fits, wear it." In 1959, she purchased a beautiful pair of gray high heels. Only one other person could wear those high heels, and I was not the one. That year came quietly, but then the others came. A mother and six children. How could sixteen people live in a house with three bedrooms and one bath? Who were they? Why were they here? How long would they stay? We had no idea that each of us would be forever changed in 1959, the year known historically as the year of change. Most of us would find ourselves viewing a picture of those high heels long after we saw them in the back of our Ford station wagon as our father backed out of the driveway that fateful day. But those high heels held secrets to a horrible but brave story that now must be told. My father was a man of his word and a man of words. He taught the importance of knowing what to say and meaning what we said. Would words bring us together? Would their leaving destroy any chance of our becoming family?

Of Cigarettes, High Heels, and Other Interesting Things Nov 29 2019 This is an excellent and useful introduction to basic semiotic ideas and analytical techniques. It shows how semiotics increases the ability to know oneself. High Heel Oct 01 2022 Best Fifteen Books of March 2019, Refinery29 Best Nonfiction Books of 2019, Paste Magazine Object Lessons is a series of short, beautifully designed books about the hidden lives of ordinary things. Fetishized, demonized, celebrated, and outlawed, the high heel is central to the iconography of modern womanhood. But are high heels good? Are they feminist? What does it mean for a woman (or, for that matter, a man) to choose to wear them? Meditating on the labyrinthine nature of sexual identity and the performance of gender, High Heel moves from film to fairytale, from foot binding to feminism, and from the golden ratio to glam rock. Summer Brennan considers this most provocative of fashion accessories as a nexus of desire and struggle, sex and society, violence and self expression, setting out to understand what it means to be a woman by walking a few hundred years in her shoes. Object Lessons is published in partnership with an essay series in The Atlantic.

Deceit in High Heels Sep 27 2019 #1 Amazon, New York Times & USA Today Bestselling series! A dead psychic, a cold case, and a pair of Hollywood's hottest stars have one fashion designer stepping out of her heels and onto the case! Fashion designer Maddie Springer has always been close to her best friend, Dana. So when Dana's celebrity husband Ricky is chosen for a reading on the Hollywood Psychic TV show, Maddie's thrilled to be at the taping! That is, until the over-the-top psychic, Moira DeVine, suddenly suggests that the accidental death of Ricky's mother years ago was actually murder and promises to name the culprit... right before she herself collapses, dying in front of the viewing audience! While Maddie has her doubts about whether DeVine was really getting messages from the other side or just acting the part, one thing is for sure—she's not acting dead. And the coincidental timing has Maddie wondering if the two deaths decades apart are related. Could a killer actually have been worried that DeVine had uncovered their crime? With the help of her eccentric family and friends, Maddie digs into the cold case that hits perilously close to home, uncovering secret love affairs, con artists, missing money, and even ties to the mob! Between the suburban secrets from years ago and the shady practices of the recently deceased so-called psychic, Maddie has no shortage of suspects. But is she looking for one killer or two? Where are they hiding now? And can Maddie get to the truth before they strike again...and she finds herself designing shoes from the other side? Its rating would be similar to PG-13 or what you would find on a Hallmark Channel movie or TV series.

Do They Wear High Heels In Heaven? Sep 19 2021 I'm Lily, a New York newspaper columnist, mother of two, divorcee of one and partner in crime to Michael, English professor, novelist and best friend extraordinaire. We've been friends forever -- well, since I nearly burned down our apartment building while trying to cook. Michael and I have weathered disco, bad fashion, bad perms, bad boyfriends -- for both of us -- my failed marriage, parenthood and writer's block. Laughing has helped -- and so have the martinis. But now we face our biggest challenge: the C word. And if I have my way, Michael will be giving up his freeheeling bachelor ways and settling down once and for all. Because I have some very specific wishes for who should take over parental duty when I'm gone. Of course, I refuse to take this lying down -- even when the doctors tell me to lie down and shut up. Because although I'm sick, I'm determined to wear my high heels and lipstick. I'm gonna look good or die trying, dammit.

To Hell in High Heels Jul 30 2022 Sooner or later, it happens to everyone: getting older. Some do it gracefully, others less so, but no one is immune to wrinkles and grey hair creeping up, seemingly overnight. And once they're there, they're hard to shift. Helena Frith Powell, fashion and lifestyle journalist extraordinaire didn't even want to think about surrender.

Spying in High Heels Jul 18 2021 L.A. shoe designer, Maddie Springer, lives her life by three rules: Fashion. Fashion. Fashion. But when she stumbles upon the work of a brutal killer, her life takes an unexpected turn from Manolos to murder. And things only get worse when her boyfriend disappears - along with \$20 million in embezzled funds - and her every move is suddenly under scrutiny by the LAPD's sexiest cop. With the help of her post-menopausal bridezilla of a mother, a 300 pound psychic and one seriously oversexed best friend, Maddie finds herself stepping out of her stilettos and onto the trail of a murderer. But can she catch a killer before the killer catches up to her.

Killer in High Heels Sep 07 2020 New York Times and USA Today Bestselling series! L.A. shoe designer Maddie Springer hasn't seen her father since he reportedly ran off to Las Vegas with a showgirl named Lola. So she's shocked when he leaves a desperate plea for help on her answering machine—ending in a loud bang. Gunshot? Car backfire? Never one to leave her curiosity unsatisfied, Maddie straps on her stilettos and, along with her trigger-happy best friend, makes tracks for Sin City in search of her MIA dad. Maddie hits the jackpot, all right. She finds not only her dad, but also a handful of aging drag queens, an organized crime ring smuggling fake Prada pumps, and one relentless killer. Plus, it seems the LAPD's sexiest cop is doing a little Vegas moonlighting of his own. In a town where odds are everything, Maddie bets it all on her ability to out-step a vicious murderer. She just hopes her gamble pays off...before her own luck runs out. Frank Rispoli - High Heels Nov 09 2020 "First book by veteran New York photographer and club habitué, Frank Rispoli" Rispoli's photographs capture the energy and decadence of the '80s club scene in Manhattan "Rispoli's witty focus on women's shoes gives this documentary a unique viewpoint As a young man, living in Manhattan in the 1970s and '80s, Frank Rispoli was drawn to the New Wave and Punk club scenes. Recognizing the inherent performance of sexuality and desire in both fashion and club culture, he documented the intertwining of the two. Always with a camera strapped around his neck, he frequented Danceteria, Tier 3, Max's Kansas City, Studio 54 and many other clubs in Soho, Chelsea, the Lower East Side, and Midtown. Rispoli asked female clubgoers, bar patrons, singers, and band members if he could photograph their shoes, utilizing the staged sets, props, and bathrooms of the clubs, and the taxis, sidewalks, and rooftops of the city, as his backdrops. A selection of these photographs forms the basis of his first book - High Heels. Rispoli attributes his interest in women's shoes to his inability, as a teenager, to look women in the eye and, due to his shyness, focusing on their feet instead. He drew further inspiration from the work of Guy Bourdin, and his advertising photography of the period. Rispoli continues, in his photographs, to capture the fun, freedom, and performance found in other outsider communities and events, such as Wigstock, and the burgeoning art scene in Bushwick, Brooklyn.

Of Cigarettes, High Heels, and Other Interesting Things Jun 28 2022 This book deals with one of the most interesting aspects of human life—the search for meaning. It discusses how the science of semiotics is equipped to provide insight on what meaning is and how we produce it. Why is it that certain people routinely put their survival at risk by smoking? Why is it that some women make locomotion difficult for themselves by donning high-heel footwear? Are there unconscious forces at work behind such strange behaviors? This book will attempt to answer such questions by claiming that these behaviors are meaningful in culture-specific ways. The discipline that studies such behaviors and their relation to meanings is called semiotics. Semiotics probes the human condition in its own peculiar way, by unraveling the meanings of signs, which motivate not only the wearing of high heel shoes, but also the construction of words and art forms. Now in its third edition, this landmark introduction to semiotics has been updated with a wealth of new content, focusing on the many developments in digital culture since the previous edition. With the addition of topics such as memes, selfies, social media profiles, and even Mafia discourse, the new edition comprehensively covers new trends in culture while streamlining treatments of basic semiotics contents.

Dangerous Curves Atop Hollywood Heels Jul 06 2020 "We seemed to be suspended effortlessly in the air, but in reality, our wings were beating very, very fast." - Mae Murray "It is worse than folly for persons to imagine that this business is an easy road to money, to contentment, or to that strange quality called happiness." - Bebe Daniels "A girl should realize that a career on the screen demands everything, promising nothing." - Helen Ferguson In Dangerous Curves Atop Hollywood Heels, author Michael G. Ankerich examines the lives, careers, and disappointments of 15 silent film actresses, who, despite the odds against them and warnings to stay in their hometowns, came to Hollywood to make names for themselves in the movies. On the screen, these young hopefuls became Agnes Ayres, Olive Borden, Grace Darmond, Eleanor Fair, Juanita Hansen, Wanda Hawley, Natalie Joyce, Barbara La Marr, Martha Mansfield, Mae Murray, Mary Nolan, Marie Prevost, Lucille Ricksen, Eve Southern, and Alberta Vaughn. Dangerous Curves follows the precariously routes these young ladies took in their quest for fame and uncovers how some of the top actresses of the silent screen were used, abused, and discarded. Many, unable to let go of the spotlight after it had singled their very souls, came to a stop on that dead-end street, referred to by actress Anna Q. Nilsson as, Hollywood's Heartbreak Lane. Pieced together using contemporary interviews the actresses gave, conversations with friends, relatives, and co-workers, and exhaustive research through scrapbooks, archives, and public records, Dangerous Curves offers an honest, yet compassionate, look at some of the brightest luminaries of the silent screen. The book is illustrated with over 150 photographs.

Killer Heels Aug 31 2022 Killer Heels explores the rich cultural history of the high heel and its relation to power, fantasy, sexuality, and identity. More than 160 spectacular contemporary and historical shoe designs—from sixteenth-century Venetian platforms to twenty-first-century Christian Louboutins—play with the cultural and artistic possibilities of the high heel, use innovative or unexpected materials, and push the limits of functionality and beauty. Complementing the shoes are stills, sketches, and artist statements for six films specially commissioned for the exhibition from Ghada Amer and Reza Farkhondeh, Zach Gold, Steven Klein, Nick Knight, Marilyn Minter, and Rashad Newsome that explore a range of provocative themes and demonstrate the power of the high heel in the collective imagination. In addition, several of the designers included in the exhibition (including Brian Atwood, Zaha Hadid, Pierre Hardy, and Christian Louboutin), along with Elizabeth Semmelhack, Senior Curator of the Bata Shoe Museum, contribute thoughts on topics such as their inspiration and design process, and the cultural significance of high heels. This collection of killer heels is filled with stunning photos and fashion lore.

Auf High Heels ins Chaos Aug 26 2019 Paula Freitag ist immer auf der Suche. A.) Nach dem richtigen Mann fürs Leben und - wenn das schon nicht klappt - dann B.) nach dem richtigen Lippenstift. Sowohl das eine als auch das andere erweist sich leider als schwieriger als erwartet. Gar nicht hilfreich ist dabei auch Paulas leichter Hang, jedes noch so kleine Fettnäpfchen mit Anlauf und Schmackes mitzunehmen, von den "normalen" Widrigkeiten des Lebens mal ganz zu schweigen. Da hätten wir zum Beispiel eine sich hartnäckig dem Erfolg entziehende Diät, eine wallehmähige und cellulitisfreie Konkurrentin sowie einen nervenaufreibenden Ganztagsjob mit einem schier Unmögliches verlangenden Chef. Aber schlussendlich wird Paula zumindest eines finden...

Backwards and in Heels Dec 11 2020 *Backwards and in Heels ? women in film and their struggle against bias "After all, Ginger Rogers did everything that Fred Astaire did. She just did it backwards and in high heels" - Ann Richards Women in film since the beginning: Women have been instrumental in the success of American cinema since its very beginning. One of the first people to ever pick up a motion picture camera was a woman; as was the first screenwriter to win two Academy Awards, the inventor of the boom microphone and the first person to be credited with the title Film Editor. Throughout the entire history of Hollywood women have been revolutionizing, innovating, and shaping how we make movies. Yet their stories are rarely shared. The first women directors: This is what film reporter Alicia Malone wants to change. Backwards and in Heels tells the history of women in film in a different way, with stories about incredible ladies who made their mark throughout each era of Hollywood. From the first women directors, to the iconic movie stars, and present day activists. Each of these stories are inspiring accomplishments of women, and they also highlight the specific obstacles women have had to face. Backwards and in Heels combines research and exclusive interviews with influential women and men working in Hollywood today, such as Geena Davis, J.J. Abrams, Ava DuVernay, Octavia Spencer, America Ferrera, Paul Feig and many more, as well as film professors, historians and experts. Time to level the playing field: Think of Backwards and in Heels as a guidebook, your entry into the complex world of women in film. Join Alicia Malone as she champions Hollywood women of the past and present, and looks to the future with the hopes of leveling out the playing field.*

Shoe Fetish 2 Dec 23 2021 *There is definitely an immediate emotional attachment we experience when we see "the one"—that shoe (or that man) and try them on, praying for the perfect fit, and Oh, Lord Have Mercy, how we pray that it will fit! These three friends continue to find their way through life, love, and its relationships transferring all power and emotions via their shoes, which hold secrets. Some harmless and some deadly; and, though Carmen is untrusting of men and their secrets, she has a few deadly secrets of her own. Women love their shoes for varied reasons. Shoes are not only for protection, beauty, and sex; but, for the life that they can transcend you to, and the secrets that may not have been shared with another person are sometimes within the soles of the shoes. "In Shoe Fetish, Bennett and Moore have created a sad yet warmly uplifting version of the time-honored transition into womanhood. Their sensitive portrayal of Carmen's resolute honesty and ultimate empowerment make for an enduring heroine and entertaining reading. " – Ellen Tanner Marsh, NY Time Bestselling Romance Novelist "I absolutely loved reading Shoe Fetish in my trailer between takes. I can't wait for the sequel!" – Maria Howell- singer/actress of Color Purple, Daddy's Girls, Army Wives, and more.*

This Monk Wears Heels Jun 04 2020 *You won't become the real you unless you face up to what you've avoided most. Once you allow yourself to be who you are, the change will come. Kodo Nishimura, international make-up artist and Buddhist monk, rose to stardom after appearing in the Queer Eye: We're In Japan! special that aired to massive viewership on Netflix. His wide smile, however, hid a painful past. The book starts with Kodo's childhood in Japan, playing dress up as Little Mermaid, and his lonely adolescence when, although born into a family of priests, all he wanted to do was wear pretty dresses and become a princess. Growing up an outsider in a society that celebrates uniformity, Kodo's time in New York at the Parsons School of Design and his work as a leading make-up artist finally brought him to embrace his own uniqueness. The book is full of practical tips for positive thinking and insights into the philosophical approach to life Kodo has crafted as a Buddhist monk. Detailing his journey to self-love, the book provides a gentle, loving, and encouraging voice for all those who dare to be different.*

The Sexy Art of High Heel Walking Oct 28 2019 *The reason why I wrote this book is for almost 4,000 years, it has been engrained in our subconscious and encoded in our DNA about high heel shoes is the sexy effect. Starting with the ancient Egyptians they were associated with demigods on earth, and then to nobility for the ancient Greeks and Romans. The French kings' courts had elevated high heels as a fashion statement, although it was outlawed by Napoleon for a short period. It quickly revived back to its original status in boosting one's sex appeal even up to the modern times. There are so many misconceptions about high heels. It has been blamed for almost all foot maladies from bunions, neuroma, and ankle injuries. It is like blaming the car for injuring and killing people. Let's not forget a minor detail: it's the operator's skill level is usually at fault, not the car. High heel walking is a special skill set. To be sexy, confident and pain free on high heels, one has to master the special skill. It is a learned walking skill, not instinctual. It is not ideal to learn the skill on your own to be able to do it correctly, safely, and without injury. The majority of women who tried to do it on their own usually experienced foot pain, suffering, and HUMILIATION! However, it doesn't stop most women from buying high heels even without learning the proper high heel walking technique.*
