How the Force Can Fix the World Sep 21 2021 From widespread unemployment and mounting international hostilities, every day we are swept into more political chaos—so one brave man looks to the Star Wars universe for answers to our most urgent problems. "You can't stop the change — anymore than you can stop the sun from setting." Anakin Skywalker was never able to live with this wisdom shared by his mother on the day he left home to train as a Jedi Knight. That failure led him to becoming the fearsome villain we all know as Darth Vader. We're living in a time of unprecedented and rapid change. An age of chaos. Democracies are in decline worldwide. Dictators are ascendant. Civic organizations are crumbling. People feel lonelier and more rudderless than in any other time in recent history. We've tried to slow down, and in some cases we, like Anakin, have tried stop the change, but failed at every turn. The fears that come with living in an age of disruption have produced public anger, and that anger has swelled movements of hate. Author Stephen Kent believes part of the solution is hiding in plain sight. A story that binds together multiple generations with a common language, a moral framework, and a sense of wonder. It's Star Wars. What if we looked to Star Wars for more than just entertainment? *How the Force Can Fix the World* takes this challenge on by analyzing the core principles of the Star Wars franchise: HOPE, CHOICE, HUMILITY, EMPATHY, REDEMPTION, BALANCE and rejecting FEAR. Together, these are the Star Wars roadmap for living better lives, and maybe even fostering a better politics. The path that we're on — where fear leads to anger, and anger to hatred — will only end in suffering. But Star Wars shows us the way back from the brink. Shared stories of virtue that are beloved across cultures and political divides are hard to come by, but Star Wars is one such story. Turn on the news; things are pretty broken right now — but the Force can fix the world.

Invincible: Star Wars Legends (Legacy of the Force) Nov 11 2020 No war can last forever. Now, in the long and punishing battle between the defiant champions of the New Jedi Order and the juggernaut that is the Galactic Alliance, the endgame is finally at hand. With so much

lost—and nothing less than the course of the future still at stake—there can be no turning back. No matter the consequences. The rebel cause is losing ground under the twin blows of Admiral Gilad Pellaeon's assassination and the death of Mara Jade Skywalker. At the same time, having gained the support of the Imperial Remnant and its ruthlessly efficient forces, the Galactic Alliance, with the extraordinary power and dark brilliance of newly ascendant Sith Lord Darth Caedus at its helm, may be unstoppable. Tormented and torn between the call of duty and the thirst for vengeance, Luke has searched the Force and beheld an unspeakable vision of the galaxy enslaved under tyranny more monstrous than even Palpatine's. Now it seems that the last, best hope lies in mobilizing the scattered Jedi for one decisive search-and-destroy mission. The objective: eliminate Darth Caedus. It's a plan that will be as difficult and dangerous to execute as it is daring. For Caedus is a scion of both the Skywalker and Solo bloodlines whose command of the Force surpasses even that of his grandfather Darth Vader. There is only one who is bound by destiny to stand against him in what will surely be a duel to the death, only one with an outside chance of bringing down the dark lord who was once Jacen Solo. Failure is not an option. The furious final moments between power and peace are here, and whoever confronts Darth Caedus will decide the outcome—and the fate of those left standing. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

The Force Unleashed: Star Wars Legends Jun 18 2021 "The Sith always betray one another. . . . I'm sure you'll learn that soon enough." The overthrow of the Republic is complete. The Separatist forces have been smashed, the Jedi Council nearly decimated, and the rest of the Order all but destroyed. Now absolute power rests in the iron fist of Darth Sidious—the cunning Sith lord better known as the former Senator, now Emperor, Palpatine. But more remains to be done. Pockets of resistance in the galaxy must still be defeated and missing Jedi accounted for . . . and dealt with. These crucial tasks fall to the Emperor's ruthless enforcer, Darth Vader. In turn, the Dark Lord has groomed a lethal apprentice entrusted with a top-secret mission: to comb the galaxy and dispatch the last of his masters' enemies, thereby punctuating the dark side's victory with the Jedi's doom. Since childhood, Vader's nameless agent has known only the cold, mercenary creed of the Sith. His past is a void; his present, the carrying out of his deadly orders. But his future beckons like a glistening black jewel with the ultimate promise: to stand beside the only father he has ever known, with the galaxy at their feet. It is a destiny he can realize only by rising to the greatest challenge of his discipleship: destroying Emperor Palpatine. The apprentice's journeys will take him across the far reaches of the galaxy, from the Wookiee homeworld of Kashyyyk to the junkyard planet of Raxus Prime. On these missions, the young Sith acolyte will forge an unlikely alliance with a ruined Jedi Master seeking redemption and wrestle with forbidden feelings for his beautiful comrade, Juno Eclipse. And he will be tested as never before—by shattering revelations that strike at the very heart of all he believes and stir within him long-forgotten hopes of reclaiming his name . . . and changing his destiny. But the plot poses a moral quandary for Han and Leia Solo, who cannot abide deliberately spreading the war any more than they can the murder of the Hapan Queen Mother, ex-Jedi Knight Tenel Ka. Taking it upon themselves to save her life - and that of her young daughter, Allana - the Solos set in motion a firestorm of confusion and mayhem that will pit children against parents, bring Luke Skywalker into battle with his foremost nemesis, and leave them at the mercy of one of the Jedi's oldest and most deadly enemies.

The Power of the Force Mar 16 2021 Few can doubt the phenomenal impact of the Star Wars films. But why do so many fans feel that the films touch them on a deeper level than any of the other popular fantasy films? Why are there even people who say that they base their ideas of right and wrong on the Star Wars films? In his intriguing but light-hearted book, David Wilkinson investigates the cultural context into which the films were first released. He reveals how George Lucas's proposal was originally met with ridicule. He shows the films' profound impact on the market for film merchandise. And he demonstrates how Lucas has created a basis for a contemporary religion by incorporating many of the great themes of myth and religion: hope; evil and redemption; and the belief that there is more to the universe than just technology.

Become the Force Feb 24 2022 For fans of the Star Wars franchise—the first and only self-help guide on living life, the Jedi way Daniel M. Jones founded the Church of Jediism in 2007 following the Jedi Census phenomenon of 2001. Since then, it has become a unique global community dedicated to helping its 500,000+ members uncover their greatest potential. In *Become the Force*, Daniel outlines the Jedi perspective and provides practical tools for anyone interested in gaining a deeper understanding of how to use the Force in everyday life. A metaphor for the universal life energy that connects us all, the Force can be both light and dark, good and bad. Now, more than ever, it is our responsibility to overcome the Dark Side. This book does not aim to convert, but to inspire its readers to live a life of meaning and purpose according to the universal spiritual teachings of “the way of the Jedi.” It includes: • Daniel's own fascinating spiritual journey and how overcoming personal struggles has awakened him to his purpose. • A complete toolkit that will allow anyone to genuinely embrace “the way of the Jedi” and use Jedi teachings to empower mind, body, heart and spirit. • A comprehensive explanation of Jediism as a spiritual movement (a universal desire for self-awareness, spiritual awakening, peace, love and harmony) rather than a religion. *Become the Force* shows that the Jedi-minded among us might usher in a new spirituality and shift in global consciousness towards peace and harmony that is more powerful than any we can possibly imagine.

Despite strained relationships caused by opposing sympathies in the war, Han and Leia Solo and Luke and Mara Skywalker remain united by one frightening suspicion: Someone insidious is manipulating this war, and if he or she isn't stopped, all efforts at reconciliation may be for naught. And as sinister visions lead Luke to believe that the source of the evil is none other than Lumiya, Dark Lady of the Sith, the greatest peril revolves around Jacen himself. . . .
