Christian Education Jun 29 2020 Whether in the home or in the church or in a Christian school, the challenge of contemporary Christian educators is to meet the academic needs of students while remaining unswerving in adherence to biblical principles. Christian Education: Foundations for the Future introduces you to the basics of a healthy Christian education program, then takes you beyond, showing you how to develop a fresh, innovative Christian education program that will revitalize your church, home, or school.

Disaster Education Nov 22 2019 From 'Duck and Cover' in the 1950s, when American schoolchildren were instructed to hide beneath their desks in the event of nuclear attack to contemporary campaigns against pandemic flu, education campaigns have been used to prepare the general public for apocalyptic events. Governments have made use of various media from films, leaflets and television to the internet to inform, inspire and scare populations. Forms of disaster education also permeate popular culture with films and television programmes illustrating survival techniques from dealing with terrorist attacks in '24' to thwarting zombie apocalypse in 'The Walking Dead' and '28 Days Later' . Using critical race theory and whiteness studies the book argues that information about disasters has always, tacitly or overtly, prioritised the survival of

certain groups of citizens above others. Drawing on examples from the UK and the US, from past and contemporary disaster education and popular culture, it considers that rather than being kitsch, naïve and ephemeral, such campaigns are central to the way in which states define survival, life and death. The book will be of interest to educationalists, historians, sociologists and cultural theorists as well as those working in emergency planning, public health and communications.

Walter and Ingrid Trobisch and the Globalization of Modern, Christian Sexual Ethics Jan 05 2021 Walter and Ingrid Trobisch played a major role in shaping a transcultural conversation about love, sex, gender identity, and marriage during the mid-twentieth century. The Trobisches are most well known for Walter's book *I Loved a Girl* (1962), which he wrote while teaching at Cameroon Christian College. Within a decade, one million copies of the book were in circulation, it was translated into seventy languages, and Trobisch had received ten thousand letters from African and American readers of the book asking for relational advice. The Trobisches founded an international marriage-counseling ministry to answer these letters. While the Trobisches held paternalistic attitudes common among western missionaries of their generation, their vision of sexuality helped Christians in Africa and the United States to navigate changing sexual norms of the mid-twentieth century.

Critical Conversations Jan 17 2022 Christian parents need to be prepared to answer the myriad challenges teens might hear in today's increasingly pro homosexual culture. "Why shouldn't gays get married?" "Who says gay sex is wrong?" "Does the Bible actually say there's anything wrong with homosexuality?" "Don't you care that kids are being bullied just for being themselves?" To start the discussion, Gilson provides a brief history of the issues beginning with the sexual revolution of the 1960s. He explains how and why cultural attitudes have reversed on this subject in such a short timespan, leaving Christians scrambling for answers. This is perhaps the most complicated and contentious issue Christians face in today's culture. Most churches are poorly equipped to handle it; parents are even less prepared. The good news is that parents need not have pat answers ready before they dive into conversations with their teens and preteens on this difficult topic. Learning together—parents struggling through these issues alongside their kids and leading them to biblical answers—has relational benefits. Answers are important, though, so manageable, nontechnical answers to common questions surrounding this issue are provided, as well as a guide to further resources.

Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Marriage ~ As God Intended It to Be! Sep 20 2019 For young couples and singles who aspire to enter the institution of marriage and for couples who are currently married, separated, divorced, or widowed, it is important to know that it is possible to enjoy a lifelong, divorce-free marriage. For this to happen, an individual must understand the following concepts: 1. Marriage is not man's invention; marriage is God's idea. 2. The inventor of marriage (God) has provided a complete "manual" (the Bible) for marriage. 3. For marriage to be at its best, a married couple must read, understand, embrace, and apply the concepts outlined in the Bible. 4. The ultimate purpose of marriage is to demonstrate God's glory in the world. 5. The God of the Bible is a God of second chances who understands our failures, freely offers His forgiveness for our failures through Jesus Christ, and gives us the opportunity to have a fresh start at life regardless of where we may be in life's journey. This book was written to provide guidance directly from the marriage inventor's perspective to everyone who aspires to be married or is currently married and offer hope to couples who are separated, divorced, or widowed. It provides clear biblical instruction and guidance in a comprehensive, yet easy-to-read study of all major aspects of marriage. The author, Dr. J. E. Samson, has spent several years teaching marriage classes and, together with his wife, leading marriage seminars and workshops at the local churches with which he has been associated. This book is a

product of the study materials used in those classes, seminars, and workshops and perfect for use in Sunday school classes, workshops, individual study, or simply as a handy reference for personal study. At a time when at least half of all marriages end in divorce, Marriage "As God Intended It to Be!" offers a beacon for singles or couples seeking practical, biblical advice on how to have a lasting marriage.

Home Reformation Sep 13 2021 Many families in today's churches have a genuine desire to raise good and godly children, yet often become discouraged when simply taking their children to church regularly doesn't seem to produce children who walk humbly with the Lord. According to recent statistics, raising our children according to the current prescribed standards can often result in watching them wander from the truth as they reach early adulthood. Yet it doesn't have to be this way. There is hope. Within the pages of Home Reformation, you will find practical steps in helping to make your home a place of Christ-centered discipleship. Author Adam Burrell draws from seventeen years of involvement in family ministry (as well as personal experiences from raising seven children) as he seeks to equip parents to turn their homes into training grounds for Christ-like development. As you read, you will find simple steps that can be easily assimilated into your daily lives to help you train and disciple your families in godliness and create a more biblical home for our families. Adam Burrell is a husband, father, and one of the pastors who serves at Pray's Mill Baptist Church in Douglasville, Georgia. He is a graduate of Southern Baptist Theological Seminary. He and his wife have been married since 2008 and have been blessed with a quiver full of children.

Reference Guide to Christian Missionary Societies in China: From the Sixteenth to the Twentieth Century Jun 10 2021 This comprehensive guide will facilitate scholarly research concerning the history of Christianity in China as well as the wider Sino-Western cultural encounter. It will assist scholars in their search for material on the anthropological, educational, medical, scientific, social, political, and religious dimensions of the missionary presence in China prior to 1950. The guide contains nearly five hundred entries identifying both Roman Catholic and Protestant missionary sending agencies and related religious congregations. Each entry includes the organization's name in English, followed by its Chinese name, country of origin, and denominational affiliation. Special attention has been paid to identifying the many small, lesser-known groups that arrived in China during the early decades of the twentieth century. In addition, a special category of the as yet little-studied indigenous communities of Chinese women has also been included. Multiple indexes enhance the guide's accessibility.

[The Most Important Place on Earth](#) Apr 08 2021 Many people did not grow up in a Christian home, and many more do not consider their childhood experience a good model. Robert Wolgemuth presents this inspiring, practical book for people who want to have a Christian home. So, what's so great about a Christian home? There's redemption. There's forgiveness. There's hope. Laughter and genuine happiness. There's discipline and purpose there. And there's grace . . . lots of grace. The Most Important Place on Earth covers eight answers to the question "What does a Christian home look like?" It's filled with stories and practical ideas that will convince any reader that a Christian home is not an elusive stereotype. It's something that really can be achieved. And it's something worth having. You'll see.

[Practicing Hospitality](#) Apr 27 2020 What makes a person or a home hospitable? Does hospitality call for a beautifully decorated home and a menu filled with gourmet foods, or can it be as simple as offering a friend a cup of tea? In Practicing Hospitality two longtime professors (and practitioners!) of home economics provide both the theological base and the practical knowledge to understand and implement God's plan for hospitality. They provide a blend of theologically sound content, real-life illustrations, and practical application. They focus on developing both the Christian character and practical skills so the act of hospitality is a joy for the host and hostess and a source of encouragement for the guest. Each chapter concludes with recipes and projects that provide readers with an opportunity to personally apply the book's content. Anyone seeking to grow in their knowledge of biblical hospitality will be richly rewarded by the biblical teaching and practical

suggestions in this book.

Christian Homes Sep 01 2020 Christian ideas on family, religion, and the home in the nineteenth and twentieth centuries The cult of domesticity has often been linked to the privatization of religion and the idealisation of the motherly ideal of the 'angel in the house'. This book revisits the Christian home of the nineteenth and twentieth centuries and sheds new light on the stereotypical distinction between the private and public spheres and their inhabitants. Emphasizing the importance of patriarchal domesticity during the period and the frequent blurring of boundaries between the Christian home and modern society, the case studies included in this volume call for a more nuanced understanding of nineteenth- and twentieth-century Christian ideas on family, religion, and the home.

Evil Angels Oct 22 2019 The basis for the Meryl Streep film A Cry in the Dark: The dramatic true story of a mother's worst nightmare and the murder trial that shocked Australia. On a camping trip at Ayer's Rock, the Chamberlain family's infant daughter disappeared in the middle of the night. Her distraught mother, Lindy, claimed she saw a dingo carry her off into the Australian outback. Two years later, their tragedy worsened when, without a murder weapon, a body, or even a motive, a jury convicted Lindy Chamberlain of killing her own daughter. The public cheered. John Bryson, a trial lawyer and award-winning journalist, deconstructs the factors that led to a seemingly reasonless incarceration and the public attitude that demanded it. With this book, he began to sway popular opinion in the Chamberlains' favor by discussing the failures on the part of the police, forensics team, and press. Winner of the CWA Gold Dagger and the inspiration for the film A Cry in the Dark starring Meryl Streep, **Evil Angels** presents an impartial analysis of the most notorious miscarriage

of justice in Australian history. It serves as a reminder of the dangers of blindly searching for a conviction, the importance of scientific accuracy, the volatility of the media, and the ease with which a nation can fall prey to bigoted thinking. Written with literary finesse, this is one of the twentieth century's most important—and thoughtful—works of true crime.

The Little Oratory Jul 23 2022 Keeping a faithful prayer life with your family isn't easy. From herding distracted children to managing the seemingly endless litany of prayers and devotions, our spiritual life all too often feels frantic and burdensome. This isn't the way it should be. Our prayer life, our family life, and our work life should — and can! — be in harmony. When they are, our family is a powerful house of grace, and Our Lord transforms our home into a little Eden — a little bit of

heaven on earth. With simplicity and holy wisdom, authors David Clayton and Leila Marie Lawler show you how to bring peace to your home by integrating your family into the calm, truly joyful way of Mother Church. Her feasts and seasons, prayers and devotions are gifts that draw us closer to God and unfold before us His marvelous plan of salvation. To help you live the liturgical life of the Church more fully, David and Leila reclaim here an almost lost tradition that families used for centuries to build a beautiful bridge between home and church: the little oratory. Consisting of a modest table and icons, the little oratory is a visible sign of spiritual awareness and devotion. It extends the Eucharistic worship of the Mass into the heart of your home, spiritually nourishing your family and preparing them to transform the world through prayer and charity. Building your own little oratory is simple, and in these pages you'll discover just how easy it is. In fact, you likely have most of the pieces in your home already except, perhaps, the sacred art. That's why we've included here seven full-colored icons that are ready for framing, enabling you to get started right away! By following the wise advice in this book, you'll discover the peace and love that flows from a home that is focused on Christ. You'll also learn . . . How to use sacred art to strengthen your prayer life. How to extend Catholic beliefs and devotions into every room of the house. Why the Liturgy of the Hours is important and how it can make your family holy. How to pray the Rosary with children and keep the rowdiest of them calm and reverent. The active role children can and should play in the prayer life of the family. What to do when only one parent takes the spiritual life seriously. How to overcome the feeling that you're too busy to pray. Practical ways to extend the liturgical life into your workplace. And countless other tips to help you practice your faith in the heart of your home. Scott Hahn "This is one of the most beautiful books I've ever seen.
