Fundamentals of Food Freezing May 30 2022 The remarkable growth of food technology in industry has been matched by an equal development of related educational programs in food science in colleges and universities in many countries. A vast and growing body of reference books is now available to professionals in the field. They have at their fingertips the current state of the art and knowledge in the various areas of specialization embraced by the food industry. For example, excellent reference books are available in the general area of food freezing. The Freezing Preservation of Foods by Tressler et al. is a four volume reference work which covers the subject in detail. Fundamentals of Food Freezing is a book written as a textbook. It represents the accumulated art and knowledge in the field of food freezing and draws upon the four volumes of The Freezing Preservation of Foods and the current literature in reference. This new textbook is designed as a unit of instruction in food freezing. As such, it is presented in 16 chapters. The total effect we have attempted to develop is a rounded overall presentation for the student. It is a pleasure to acknowledge the contributions of our many col laborators in preparing this text. These collaborators are identified in the list of contributors; to each, we are most deeply obliged. However, the undersigned are responsible for errors of omission or commission.

Handbook of Food Science, Technology, and Engineering - 4 Volume Set Feb 12 2021 Advances in food science, technology, and engineering are occurring at such a rapid

rate that obtaining current, detailed information is challenging at best. While almost everyone engaged in these disciplines has accumulated a vast variety of data over time, an organized, comprehensive resource containing this data would be invaluable to have. The

Deep Freeze Nov 23 2021 'Shiveringly good suspense!' Lisa Gardner THE FIRST BOOK IN A GRIPPING CRIME SERIES FROM 30 MILLION COPY SELLING AUTHOR. Jenna Hughes left Hollywood for a farm in Oregon to get away from fame. But someone has followed the former movie star - an obsessed fan whose letters are personal and deeply disturbing. And while Jenna's already shaken up by what she's seen on paper, she'd be terrified if she knew what Sheriff Shane Carter is investigating. It's a shocking case that started with the discovery of a dead woman in the woods. Now two more women are missing, and one of them looks just like Jenna. As a blizzard bears down on their small town, the merciless killer's grisly work has only just begun. Jenna is getting close to meeting her biggest fan - the one who wants to own her forever. 'She is one of the best' Harlan Coben THE NEXT BOOK IN THE SERIES, FATAL BURN, IS AVAILABLE NOW
