Take Sep 27 2022 TAKE - verb: to reach for and hold in one's hands or get into one's possession, power or control. Logan Mitchell is a man who's always been more than happy to take what he wants. It's a philosophy that's proven lucrative in both his business and personal life, and never was it more apparent than the night he laid eyes on Tate Morrison. After pulling out all the stops and convincing the sexy bartender to give him a try—he's hooked. Now, Logan finds himself in a predicament that demands more from him than a smart-ass answer and his innate ability to walk away when things get too deep. He has a choice to make, and it'll force him to do something he's never done before—take a chance. Tate Morrison knows all about taking a chance. He took the biggest one of his life the night he showed up at Logan's apartment to explore his unexpected reaction to the man. Ever since then, he's thought about little else. At first he was convinced his attraction was based solely on his body's curiosity. But the more time he spends with the silver-tongued lawyer, the more Tate realizes that their physical chemistry is only the beginning. He's starting to catch a glimpse of what life with Logan would be like, and it's one full of excitement and satisfaction—a far cry from what he had in the past with his soon to be ex-wife. Each man will face their fears as they begin to understand the true meaning of give and take. Their feelings for one another will be tested, as will their very beliefs. But now that they've found love where they least expected it, will they be brave enough to reach out and take it?

Confessions: Robbie Apr 22 2022 Relationships are complex. Love ever-changing. And when it comes to rules of the heart, they were made to be broken... That's what Robert Antonio Bianchi was telling himself, anyway. Otherwise, he really had no excuse for what-or who-he'd done. No excuse, except for his lonely heart, a pitcher of margaritas, four Bitter Bitches, and the apparent need to confess all his weaknesses to the two men he knew would bring him nothing but trouble. But trouble was nothing new. Just ask his crazy sisters or any of his friends, and they'd be the first to tell you: If there was a bad decision to be made, Robbie always had a knack for making it. And thus begins the story of the priest, the princess, and the prick.

Inside Affair Dec 18 2021 Xander If I had to describe Sean Bailey, it would be: a surly, temperamental pain in my ass. Never in that equation would I ever include the word boyfriend—and not just because he's straight. The older brother of my life-long best friend, Sean is a detective for the Chicago PD, and is also known as Detective "Dick" for being... well, a surly, temperamental pain in everyone's ass. He also happens to be the best they have, which is why I find myself on his doorstep the night my life is threatened by an anonymous stalker. I only wanted the name of a bodyguard; I didn't expect for Sean to volunteer for the job. Now, not only do I have a bodyguard, I also have a fake boyfriend. Sean It must be so hard to be Alexander Thorne, the number one prime-time news anchor in the country, with millions of dollars and a car that costs more than my house. I mean, I'm allowed to give him a hard time about it, but when some creep decides to cross the line and go after him, they're gonna have to answer to me. Going undercover has never been an issue in the past, so I don't see why there'd be a problem now. Xander and I have known each other for years, so this should be a breeze. Except suddenly my stomach's flipping when he looks my way, and my body comes alive whenever he brushes by me. I know I'm good at my job and playing a character and all, but this is getting out of hand. I can't be sure that either of us are playing anymore. ***** Inside Affair is book one of the Prime Time series and is not a standalone. Book two, Breaking News, will release 7.27.20, followed by the final book, Headlines, on 9.28.20.

All I Want for Christmas...Is My Sister's Boyfriend Dec 06 2020 Some people want their two front teeth or a hippopotamus for Christmas. Not me. That would be too clichéd. Then again, I never thought I'd stoop to sitting on Santa's lap and asking him to bring me a boyfriend, either. In my defense, though, the man of my dreams had just knocked me into a store display ten minutes prior, so I wasn't exactly thinking straight. Hah, but when did I ever. I never thought I'd see Mr. Tall, Dark, and Handsome again, but it looked like fate—or Santa—had other plans when I ran into him the following night. Seemed like I might be getting my Christmas wish after all, right? Right. So imagine my surprise when I showed up at my parents' house for the holidays, only to find out that my sister had asked Santa for the exact same thing I did—and he'd delivered early. Yep, my sister scored herself a handsome new boyfriend, and he's absolutely perfect. He's charming, my parents love him, and even Lucifer the demon cat tolerates him. Oh, did I mention he also happens to be my dream guy? The one who's supposed to be under my tree? Yeah. Merry freakin' Christmas to me. Someone pass the hot buttered rum. This is a fun, feel-good MM Christmas novella.

Shiver Mar 21 2022 Wide-eyed and innocent, you stumbled into my world, never knowing the danger that lurked within. The Wolfe's Den is no place for a little lamb, but you came anyway, and from the moment you stepped inside, you were mine. In my life there are no happy accidents. Every move is carefully orchestrated. Every situation premeditated. That's what makes the hunt so intoxicating. What you need, I become. What you crave, I will give. Except the one thing you desire above all else—love. Everything I told you is true—I'm not a good man, but you choose what you want to hear. You shouldn't have come that night. Maybe then you'd be safe. But it's too late now. I want you because you remind me of him. I need you to give me back what I lost. Warning: This is not a love story. It is not a romance. This is an obsessive stalker lust story that contains darker themes that may serve as a trigger to some readers. Shiver is a standalone novel.
