[Management's Guide to Effective Employment Interviewing](#) Nov 24 2019 The intention of the manual is to provide an updated reference source for personnel professionals who want guidance on the legal implications and methodology of applied research as it relates to employment and hiring practices. Several steps are taken in personnel employment: 1) the position requirements and needed skills are determined; 2) a search is conducted within and outside the organization through position advertisement and recruitment procedures; 3) job applicants are assessed through application procedures, personal interviews, and tests; 4) the selected employee is notified, enrolled in benefit programs, and oriented to job and organization policies. Special attention must be given to laws relating to personnel selection. Employers should be aware of legislation that protects against discrimination for minorities, older persons, women, veterans, and handicapped persons. Personnel and employment interviewers must be unbiased with skills in interviewing, counseling, testing, and clerical perception.

Employment Law Handbook Apr 10 2021

Dyslexia and Employment Sep 15 2021 Edited by award-winning author Sylvia Moody, this jargon-free guide to good practice in dyslexia workplace consultancy, and related legal issues, provides comprehensive coverage in four clearly distinguished areas: Professional dilemma chapters discuss tricky issues which have arisen in practice. General perspective chapters take the viewpoint of professionals such as HR managers or trades-union representatives. How to do it right chapters offer advice on how to carry out diagnostic, workplace needs and legal assessments, and on devising training programmes. Information Point chapters provide brief information on general topics such as dyslexic difficulties in the workplace, emotional problems related to dyslexia, and the application of the Disability Discrimination Act. With contributions from leading experts on workplace consultancy, this definitive guide will be of interest to dyslexia professionals, managers, legal professionals, trades unions, coaches, mentors and careers advisors - as well as dyslexic employees and job-seekers.

Employment Law in Ireland Apr 29 2020 Are you an employer worried about employment related claims by employees? Are you an employee whose rights are being infringed or ignored? Employment law can be confusing for both employers and employees alike. There is a huge amount of rules, regulations, laws, directives, case law concerning employment law in Ireland. Even with the best will in the world, it is easy to do the wrong thing. To make a mistake. "Employment Law in Ireland-A Plain English Guide for Employers and Employees" can help because it can save you time and money. And it can reduce the doubts in your mind about your situation.> For Employers and Employees If you are an employer it can save you the expense of defending and perhaps losing a costly claim by an employee. If you are an employee it can help you obtain your employment rights and eliminate the stress of not knowing where you stand. Because it explains what your obligations are as an employer, and what your rights are as an employee. Wide Range of Topics Covered Topics such as unfair dismissal, redundancy, the employment contract, health and safety, what policies and procedures should be in place in the workplace, equality and discrimination, holiday entitlements, part time and fixed term workers' rights, rest periods and breaks, data protection, TUPE (transfer of undertakings) regulations, temporary agency workers, young persons in work, performance improvement plans disciplinary procedure-step by step NERA and how they operate, intoxicants in the workplace, maternity leave, other leave entitlements, payment of wages, and more are explained in easy to understand language. Employers are understandably worried about costly claims for unfair dismissal, wrongful dismissal, discrimination, unfair selection for redundancy. This book helps avoid such claims by explaining the correct steps to take to prevent claims and what the employers' obligations are. Many employees too are unsure about their employment rights and are badly treated in the workplace. They have experienced the sick feeling in the pit of their stomach going into work everyday and not knowing whether there is anything that they can do about their treatment. This book aims to give peace of mind and reduce stress for both employers and employees. It also explains the essential terms that should be included in the employment contract and why 80% of cases for unfair dismissal are lost. And it is written by a practicing solicitor who has been an employer in Ireland since 1986. Written in Understandable Language If you are looking for a text book on employment law in Ireland, this is not for you. This is not an academic work. If you are looking for a straightforward reference guide to refer to on a daily basis in the workplace, this book should suit you just fine. Other Topics Other topics covered include the forums for redress of your employment rights, working time, internships in the workplace and what can go wrong, fixed term contracts, contracts of indefinite duration, employment permits, staff handbooks, the most important policies and procedures to have, without prejudice negotiations, temporary agency workers, etc. If this book helps you as employer avoid one claim or if it helps you uphold just one of your employment rights it will have proven to be one of the best investments you have made this year. Written by a Solicitor Terry Gorry is a solicitor, small business owner and has been an employer in Ireland since 1986. He helps other small business owners and their employees.

Layman's Guide to Employment Law Sep 22 2019 "Layman's Guide to Employment Law provides readers with the fundamentals of Singapore employment law. It has been written specifically for persons without legal background or training such as non-law students, employees, employers, entrepreneurs and human resource managers"--

Autism Works Jun 12 2021 People with autism are being left behind today, with only 16 per cent in full-time employment. This inspiring book addresses the lack of understanding of the wonderful contributions people across the autism spectrum can make to the workplace, drawing attention to this vast untapped human resource. Employers who create supportive workplaces can enhance their companies by making use of the talents of people with autism while also helping to produce a more inclusive and tolerant society, and people with autism can themselves benefit materially and emotionally from improved employment opportunities. Packed with real-life case studies examining the day-to-day working lives of people across the autism spectrum in a wide variety of careers, this book provides constructive solutions for both employers seeking to improve their workplaces and for individuals with autism considering their employment options. It dispels popular myths about autism, such as that everyone is good at IT, and crucially tackles the potential job opportunities available across the spectrum, including for those who have no language at all. It also highlights the neglected area of gender differences in the workplace and the costs of autistic females' ability to 'camouflage' their condition. This book is a must-read for parents, employers and adults with autism, and for anyone interested in the present and future of people with autism in the workplace who will benefit from the positive message that employing autistic people is not an act of charity but one that makes sound economic sense.

Employment in Wisconsin Sep 27 2022 3rd ed. This book is about working in Wisconsin. It was written to help employers and employees in the private sector become familiar with the basic requirements of the many laws that regulate working conditions and the employment relationship. This book is a guide to the maze of federal and state laws and regulations governing today's employment practices. Its purpose is to provide a brief, plainly written summary of the legal constraints on employers; it does not attempt to provide a detailed explanation of the intricacies of labor law, nor is it a substitute for legal advice.

Termination of Employment Mar 29 2020 "Termination can be a costly exercise and it is essential that policies and procedures are in place to ensure that the law is complied with, the outcome is fair to all parties, and there are no repercussions at a later date. This second edition of Termination of Employment is a best practice guide to terminating the employment of an employee for a range of reasons, including poor performance, misconduct, redundancy and restructuring. It examines the new test for justifiability (introduced in 2011) and explains when and how an employer can justifiably dismiss an employee. It discusses appropriate policies that might be adopted and procedures that ought to be followed. It also provides clear case examples of good and bad practice in various employment termination scenarios"--Publisher information."Termination can be a costly exercise and it is essential that policies and procedures are in place to ensure that the law is complied with, the outcome is fair to all parties, and there are no repercussions at a later date.
