*California Sales and Use Tax Answer Book* Aug

19 2021 The California Sales and Use Tax

Answer Book is the key reference source for which practitioners have been searching. Not

only is it comprehensive and clear; it also provides extensive citation to important case and statutory law. The varying rates, the

changing jurisdictional boundaries, the different tax bases, and the often inconsistent

and contradictory interpretations of similarly worded statutes are all covered. The book also

includes a chapter on sales tax reforms, particularly the Streamlined Sales Tax Project.

**Accounting Principles, Volume 2** Dec 23

2021 Our top selling introductory accounting product Accounting Principles helps students

succeed with its proven pedagogical framework, technical currency and an unparalleled robust suite of study and practice

resources. It has been praised for its outstanding visual design, excellent writing

style and clarity of presentation. The new eighth edition provides more opportunities to

use technology and new features that empower students to apply what they have learned in the

classroom to the world outside the classroom.
