Workplace Safety and Health Sep 07 2020 The Occupational Safety and Health Admin. (OSHA) is responsible for protecting the safety and health of the nation's workers. OSHA collects and compiles work-related injury and illness data. This report determined: (1) whether OSHA verifies that employers are accurately recording workers' injuries and illnesses and, if so, the adequacy of these efforts; and (2) what factors may affect the accuracy of employers' injury and illness records. The report analyzed OSHA's audits of employers' injury and illness records, interviewed inspectors who conducted the audits, surveyed occupational safety and health practitioners, and obtained the views of various stakeholders regarding factors that may affect the accuracy of the data. Charts and tables.

Bash the Lion My First Numbers Sep 27 2019 ROAR!!! Meet Bash the Lion - a playful Lion who loves to learn. Your toddler will enjoy going on learning hunts with Bash as they explore their first numbers. All Bash the Lion My First books are wonderfully put together along with activities that will help your child expand their recognition of items, as well as their vocabulary and pronunciation. Unlike typical picture books (that only display pictures with the names of the objects), Bash the Lion My First books include the 7 different learning concepts (visual, kinesthetic/physical, aural/auditory, social, solitary, verbal and logical) to foster a curiosity in your toddler that will plant the seeds for further reading and learning. We are self-publishers, literally a "mom and pop", so we hope you enjoy our labor of love as we did with our little one.
