How to Be Gay Oct 28 2019 Many guide books have been written for gay men, whether they are about sex, family or lifestyle. But how does one manage to be gay with poise and confidence? If anyone has the answer to this question, it must be David Leddick: He has been a self-confident gay man for some decades now. He was friends with Quentin Crisp and worked as a chorus dancer for Maria Callas. Today, Leddick is to some extent an ambassador for gay life. How to be Gay is wise and witty - and none of the essential questions remains unanswered.

Out of the Shadows Jun 04 2020 'A gay man could read this book as if his life depended on it - and perhaps it does' Andrew Holleran, author of *Dancer from the Dance* 'Poignant and achingly beautiful' *The New York Times* Even in our modern progressive world, it's not easy to be a gay man. While young men often come out more readily, even those from the most liberal of backgrounds still struggle to accept themselves and experience stigma, shame and difficulties with intimate relationships. They also suffer from ongoing trauma wrought by the AIDS epidemic, something that is all too often relegated to history. Drawing on a lifetime's work as a clinical psychologist, Walt Odets uses the stories of his patients as well as those of his own deep relationships with other gay men to illuminate how these difficulties may be overcome. From a 74-year-old who only felt able to come out after his wife had died, to the boy raised in a strict religious family who worked his way to San Francisco, to the middle-aged defence lawyer who left everything behind to embrace a new life, the experiences here explore everything from grief to survival, childhood pain to the definition of gay itself. *Out of the Shadows* shows us how a new way forward is possible through learning to accept ourselves and others as they are, and independently inventing our own lives.

How to Be Gay Jul 30 2022 A pioneer of LGBTQ studies dares to suggest that gayness is a way of being that gay men must learn from one another to become who they are. The genius of gay culture resides in some of its most despised stereotypes aestheticism, snobbery, melodrama, glamour, caricatures of women, and obsession with mothers and in the social meaning of style.

[Sleeping with Strangers](#) Sep 27 2019 In this wholly original work of film criticism, David Thomson, celebrated author of *The Biographical Dictionary of Film*, probes the many ways in which sexuality has shaped the movies—and the ways in which the movies have shaped sexuality. Exploring the tangled notions of masculinity, femininity, beauty, and sex that characterize our cinematic imagination—and drawing on examples that range from advertising to pornography, Bonnie and Clyde to *Call Me by Your Name*—Thomson illuminates how film as art, entertainment, and business has historically been a polite cover for a kind of erotic séance. In so doing, he casts the art and the artists we love in a new light, and reveals how film can both expose the fault lines in conventional masculinity and point the way past it, toward a more nuanced understanding of what it means to be a person with desires.

The Lavender Scare Nov 09 2020 The McCarthy era is generally considered the worst period of political repression in recent American history. But while the famous question, "Are you now or have you ever been a member of the Communist Party?" resonated in the halls of Congress, security officials were posing another question at least as frequently, if more discreetly: "Information has come to the attention of the Civil Service Commission that you are a homosexual. What comment do you care to make?" Historian David K. Johnson here relates the frightening, untold story of how, during the Cold War, homosexuals were considered as dangerous a threat to national security as Communists. Charges that the Roosevelt and Truman administrations were havens for homosexuals proved a potent political weapon, sparking a "Lavender Scare" more vehement and long-lasting than McCarthy's Red Scare. Relying on newly declassified documents, years of research in the records of the National Archives and the FBI, and interviews with former civil servants, Johnson recreates the vibrant gay subculture that flourished in New Deal-era Washington and takes us inside the security interrogation rooms where thousands of Americans were questioned about their sex lives. The homosexual purges ended promising careers, ruined lives, and pushed many to suicide. But, as Johnson also shows, the purges brought victims together to protest their treatment, helping launch a new civil rights struggle. *The Lavender Scare* shatters the myth that homosexuality has only recently become a national political issue, changing the way we think about both the McCarthy era and the origins of the gay rights movement. And perhaps just as importantly, this book is a cautionary tale, reminding us of how acts taken by the government in the name of "national security" during the Cold War resulted in the infringement of the civil liberties of thousands of Americans.

Saint Foucault Apr 26 2022 "My work has had nothing to do with gay liberation," Michel Foucault reportedly told an admirer in 1975. And indeed there is scarcely more than a passing mention of homosexuality in Foucault's scholarly writings. So why has Foucault, who died of AIDS in 1984, become a powerful source of both personal and political inspiration to an entire generation of gay activists? And why have his political philosophy and his personal life recently come under such withering, normalizing scrutiny by commentators as diverse as Camille Paglia, Richard Mohr, Bruce Bawer, Roger Kimball, and biographer James Miller? David M. Halperin's *Saint Foucault* is an uncompromising and impassioned defense of the late French philosopher and historian as a galvanizing thinker whose career as a theorist and activist will continue to serve as a model for other gay intellectuals, activists, and scholars. A close reading of both Foucault and the increasing attacks on his life and work, it explains why straight liberals so often find in Foucault only counsels of despair on the subject of politics, whereas gay activists look to him not only for intellectual inspiration but also for a compelling example of political resistance. Halperin rescues Foucault from the endless nature-versus-nurture debate over the origins of homosexuality ("On this question I have absolutely nothing to say," Foucault himself once remarked) and argues that Foucault's decision to treat sexuality not as a biological or psychological drive but as an effect of discourse, as the product of modern systems of knowledge and power represents a crucial political breakthrough for lesbians and gay men. Halperin explains how Foucault's radical vision of homosexuality as a strategic opportunity for self-transformation anticipated the new anti-assimilationist, anti-essentialist brand of sexual identity politics practiced by contemporary direct-action groups such as ACT UP. Halperin also offers the first synthetic account of Foucault's thinking about gay sex and the future of the lesbian and gay movement, as well as an up-to-the-minute summary of the most recent work in queer theory. "Where there is power, there is resistance," Michel Foucault wrote in *The History of Sexuality, Volume I*. Erudite, biting, and surprisingly moving, *Saint Foucault* represents Halperin's own resistance to what he views as the blatant and systematic misrepresentation of a crucial intellectual

figure, a misrepresentation he sees as dramatic evidence of the continuing personal, professional, and scholarly vulnerability of all gay activists and intellectuals in the age of AIDS.

Waterways Dec 31 2019 Kory was having enough trouble in high school. His girlfriend just dumped him, his poetry made him a target for ridicule, and college applications were looming. The very last thing he needed was to fall in love with another boy. *Waterways* is the complete novel from award-winning author Kyell Gold that includes his beloved story "Aquifers". Join Kory as his feelings and faith collide, washing away the life he knew. His brother Nick, friends Samaki and Malaya, and Father Joe are there to help, but it's Kory who has to navigate the thrills and perils of the new waterways that make up his life. At stake? Nothing much -- just a chance at true love and happiness. And he still has to graduate from high school...

David Bowie Made Me Gay Jun 28 2022 From Sia to Elton John, Dusty Springfield to Little Richard, LGBT voices have changed the course of modern music. But in a world before they gained understanding and a place in the mainstream, how did the queer musicians of yesteryear fight to build foundations for those who would come after them? Pulling back the curtain on the colourful legacy that has shaped all of our musical and cultural landscape, music aficionado and writer Darryl W. Bullock reveals the inspiring and often heart-breaking stories of internationally renowned stars, as well as numerous lesser-known names that have driven the revolution from all corners of the globe: those whose personal stories against the threat of persecution during decades of political and historical turmoil – including two world wars, Stonewall and the AIDS crisis – has led to some of the most significant and soul-searching music of the last century. Bullock chronicles these struggles through new interviews and archival reports, dating from the birth of jazz in the red-light district of New Orleans, through the rock 'n' roll years, Swinging Sixties and all-singing and all-dancing disco days of the '70s, right up to modern pop, electronica and reggae. A treasure-trove of untold histories, *David Bowie Made Me Gay* is a moving and provocative story of the right to be heard and the need to keep the fight for equality in the spotlight.

One Hundred Years of Homosexuality Dec 23 2021 Halperin's subject is the erotics of male culture in ancient Greece. Arguing that the modern concept of "homosexuality" is an inadequate tool for the interpretation of these features of sexual life in antiquity, Halperin offers an alternative account that accords greater prominence to the indigenous terms in which sexual experiences were constituted in the ancient Mediterranean world. Wittily and provocatively written, Halperin's meticulously drawn windows onto ancient sexuality give us a new meaning to the concept of "Greek love."

A War of Loves Jan 12 2021 At 14, David Bennett came out to his parents. At 19, he encountered Jesus Christ. At that moment, his life changed forever. As a young gay man, David Bennett saw Christianity as an enemy to freedom for LGBTQI people, and his early experiences with prejudice and homophobia led him to become a gay activist. But when Jesus came into his life in a highly unexpected way, he was led down a path he never would have predicted or imagined. In *A War of Loves*, David recounts his dramatic story, from his early years exploring new age religions and French existentialism to his university experiences as an activist. Following supernatural encounters with God, he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ. *A War of Loves* investigates what the Bible teaches about sexuality and demonstrates the profligate, unqualified grace of God for all people. David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him.

Oranges and Lemons Aug 26 2019

Identity and the Case for Gay Rights Aug 07 2020 1. THE RACIAL ANALOGY

Giovanni's Room Aug 19 2021 'Exquisite, a feat of fire-breathing, imaginative daring' Guardian David, a young American in 1950s Paris, is waiting for his fiancée to return from vacation in Spain. But when he meets Giovanni, a handsome Italian barman, the two men are drawn into an intense affair. After three months David's fiancée returns and, denying his true nature, he rejects Giovanni for a 'safe' future as a married man. His decision eventually brings tragedy. Filled with passion, regret and longing, this story of a fated love triangle has become a landmark of gay writing. James Baldwin caused outrage as a black author writing about white homosexuals, yet for him the issues of race, sexuality and personal freedom were eternally intertwined. 'If Van Gogh was our 19th-century artist-saint, James Baldwin is our 20th-century one' Michael Ondaatje 'Baldwin writes of these matters with unusual candour and yet with such dignity and intensity' The New York Times 'Violent, excruciating beauty' San Francisco Chronicle

How To Be Gay Nov 02 2022 A pioneer of LGBTQ studies dares to suggest that gayness is a way of being that gay men must learn from one another to become who they are. The genius of gay culture resides in some of its most despised stereotypes—aestheticism, snobbery, melodrama, glamour, caricatures of women, and obsession with mothers—and in the social meaning of style.

Buying Gay Jan 24 2022 In 1951, a new type of publication appeared on newsstands—the physique magazine produced by and for gay men. For many men growing up in the 1950s and 1960s, these magazines and their images and illustrations of nearly naked men, as well as articles, letters from readers, and advertisements, served as an initiation into gay culture. The publishers behind them were part of a wider world of “physique entrepreneurs”: men as well as women who ran photography studios, mail-order catalogs, pen-pal services, book clubs, and niche advertising for gay audiences. Such businesses have often been seen as peripheral to the gay political movement. In this book, David K. Johnson shows how gay commerce was not a byproduct but rather an important catalyst for the gay rights movement. Offering a vivid look into the lives of physique entrepreneurs and their customers, and presenting a wealth of illustrations, *Buying Gay* explores the connections—and tensions—between the market and the movement. With circulation rates many times higher than the openly political “homophile” magazines, physique magazines were the largest gay media outlets of their time. This network of producers and consumers helped foster a gay community and upend censorship laws, paving the way for open expression. Physique entrepreneurs were at the center of legal struggles, especially against the U.S. Post Office, including the court victory that allowed full-frontal male nudity and open homoeroticism. *Buying Gay* reconceives the history of the gay rights movement and shows how consumer culture helped create community and a site for resistance.

Voyage to Freedom Mar 26 2022 A fictitious account of *The Mayflower* as it travels from England to America with the first group of Pilgrim settlers.

Gay Shame May 28 2022 Asking if the political requirements of gay pride have repressed discussion of the more uncomfortable or undignified aspects of homosexuality, 'Gay Shame' seeks to lift this unofficial ban on the investigation of homosexuality and shame by presenting critical work from the most vibrant frontier in contemporary queer studies.

The Full Spectrum Mar 14 2021 Teens are more aware of sexuality and identity than ever, and they're looking for answers and insights, as well as a community of others. In order to help create that community, YA authors David Levithan and Billy Merrell have collected original poems, essays, and stories by young adults in their teens and early 20s. *The Full Spectrum* includes a variety of writers—gay, lesbian, bisexual, straight, transitioning, and questioning—on a variety of subjects: coming out, family, friendship, religion/faith, first kisses, break-ups, and many others. This one of a kind collection will, perhaps, help all readers see themselves and the world around them in ways they might never have imagined. We have partnered with the Gay, Lesbian and Straight Education Network (GLSEN) and a portion of the proceeds from this book will be donated to them.

Boy Meets Boy Jul 26 2019 The unforgettable debut novel by co-author with John Green of Will Grayson, Will Grayson

One of the Boys Oct 09 2020 *One of the Boys: Masculinity, Homophobia, and Modern Manhood* takes a fresh look at the formation of modern male sexual identities. You will find that homophobia is not only widespread, but that it takes diverse forms and has far-reaching behavioral and social consequences. The new concept of "homophobic passage," which is part of the development of all young men, will enlighten you as to the proposed "causes" of homosexuality and heterosexuality. *One of the Boys* will help you discover how the passage of young males from childhood to adulthood plays an important role in formation of the modern adult male self in gay and straight men. As a result, this knowledge will allow you to offer relevant services to clients who are struggling with societal stereotypes and identity issues. From this informative book, you will discover how homophobia plays a role in the increase in violence experienced by gay men and lesbians in our culture today. To help you offer improved services, *One of the Boys* discusses why homophobia is widespread, takes diverse forms, and has far-reaching behavioral and social consequences by: examining the school playground and its many effects on children's peer groups to discover how profoundly names like "crybaby" and "poofster" can impact a child's development learning that children often cannot escape harmful labels and stereotypes at home and realizing how it impacts a child's developing sense of self discovering the media's influence on role models and realizing the important role television and magazines play in providing information about homosexuality and homophobia realizing the heavy pressure homophobia exerts on men and how it shapes their relationships with women and other men, how emotionally close they allow themselves to get to people, how affectionate they are, and with whom they have sexual relations Through *One of the Boys*, you will gain valuable insight into the masculinity of the men interviewed and how it was shaped in order for you to develop a greater understanding of men and the many influences of society as a whole. This unique study investigates the development of homophobia and the meanings and significances people associate with it to help you understand how and where homophobia originates in our society.

How to Be Gay Aug 31 2022 A pioneer of LGBTQ studies dares to suggest that gayness is a way of being that gay men must learn from one another to become who they are. The genius of gay culture resides in some of its most despised stereotypes aestheticism, snobbery, melodrama, glamour, caricatures of women, and obsession with mothers and in the social meaning of style.

Wide Awake Apr 02 2020 Now with exclusive bonus content from author David Levithan, the New York Times bestselling mind behind *Every Day* and *Another Day*. An emotional and politically charged novel that's a must-read for turbulent times when the very democratic process itself is called into question and basic rights are at risk. In the not-too-impossible-to-imagine future, a gay Jewish man has been elected president of the United States. Until the governor of one state decides that some election results in his state are invalid, awarding crucial votes to the other candidate, and his fellow party member. Thus is the inspiration for couple Jimmy and Duncan to lend their support to their candidate by deciding to take part in the rallies and protests. Along the way comes an exploration of their relationship, their politics, and their country, and sometimes, as they learn, it's more about the journey than it is about reaching the destination. Only David Levithan could so masterfully and creatively weave together a plot that's both parts political action and reaction, as well as a touching and insightfully-drawn teen love story. A MARGARET A. EDWARDS AWARD WINNER

Acts of Intervention Oct 21 2021 *Acts of Intervention* traces the ways in which performance and theatre have participated in and informed the larger cultural politics of race, sexuality, citizenship and AIDS in the United States in the last fifteen years.

Gay Dads Feb 10 2021 Inspiring portraits of gay men and their families from all across America. An evolution has quietly been occurring in the world of parenting. Recent surveys reveal that millions of children have found loving homes either by being born to, or adopted by, gay men. This book is a celebration of these remarkable new families. *Gay Dads* includes twenty-five personal accounts from men describing their unique journeys to fatherhood and the struggles and successes they have experienced as they raise their children. This is the first book to provide such an expansive exploration of this extraordinary new family unit. With beautiful black-and-white photographs of each of the families, *Gay Dads* is a moving tribute to familial love.

What Do Gay Men Want? Feb 22 2022 A crucial effort to understand gay men's relation to sex and risk without recourse to tainted psychological concepts

Stonewall May 16 2021 The basis of the PBS American Experience documentary *Stonewall Uprising*. In 1969, a series of riots over police action against The Stonewall Inn, a gay bar in New York City's Greenwich Village, changed the longtime landscape of the homosexual in society literally overnight. Since then the event itself has become the stuff of legend, with relatively little hard information available on the riots themselves. Now, based on hundreds of interviews, an exhaustive search of public and previously sealed files, and over a decade of intensive research into the history and the topic, *Stonewall: The Riots That Sparked the Gay Revolution* brings this singular event to vivid life in this, the definitive story of one of history's most singular events. A Randy Shilts / Publishing Triangle Award Finalist "Riveting...Not only the definitive examination of the riots but an absorbing history of pre-Stonewall America, and how the oppression and pent-up rage of those years finally ignited on a hot New York night." - Boston Globe

The Penguin Book of Gay Short Stories Dec 11 2020 This collection of thirty-nine stories celebrates the diversity and unity of gay love and experience in the twentieth century.

The Ashgate Research Companion to Lesbian and Gay Activism May 04 2020 *The Ashgate Research Companion to Lesbian and Gay Activism* provides scholars and students with a comprehensive and authoritative state-of-the-art review of the current research in this subject. Each of the 22 specially commissioned chapters develops and summarises their key issue or debate in relation to activism—that is the claims, strategies and mobilisations (including internal debates and divisions, impediments and state responses) of the lesbian and gay movement. By drawing together leading scholars from political science, sociology, anthropology and history this companion provides an up to the minute snapshot of current scholarship as well as signposting several fruitful avenues for future research. This book is both an invaluable resource for scholars and an indispensable teaching tool for use in the classroom.

The Construction of Homosexuality Jul 06 2020 "At various times, homosexuality has been considered the noblest of loves, a horrible sin, a psychological condition or grounds for torture and execution. David F. Greenberg's careful, encyclopedic and important new book argues that homosexuality is only deviant because society has constructed, or defined, it as deviant. The book takes us over vast terrains of example and detail in the history of homosexuality."—Nicholas B. Dirks, *New York Times Book Review*

The Lesbian and Gay Movement and the State Mar 02 2020 By analyzing the relationship between lesbian and gay movements and the state, this ground-breaking book addresses two interconnected issues: to what extent is the lesbian and gay movement influenced by the state and, to a lesser extent, whether the lesbian and gay movement has somehow influenced the state, for instance by altering forms of sexual regulation. Given the diversity in national trajectories, this book covers fifteen countries. This enables the volume to shed light on different kinds of relationships between these groups and the state, as well as on the way they have evolved in recent decades. *The Lesbian and Gay Movement and the State: Comparative Insights into a Transformed Relationship* fills an important gap in the literature on lesbian and gay activism. However, this book also provides important and innovative insights into broader issues in international political science, public policy and comparative politics, as well as issues in social movement studies. These include the role of the state in constructing citizen identities, the heteronormative way in which many traditional citizen entitlements and benefits were constructed, state - civil society relations, judicial activism, the impact of federalism, and the

increasing globalization of sexual identities.

Queer Sites Jul 18 2021 There are areas which can be described as gay space in that they have many lesbians and gays in the population. *Queerspace: A History of Urban Sexuality*, edited by David Higgs, offers a history of gay space in the major cities from the early modern period to the present. The book focuses on the changing nature of queer experience in London, Amsterdam, Rio de Janeiro, San Francisco, Paris, Lisbon and Moscow. This book provides an interdisciplinary analysis of extensive source material, including diaries, poems, legal accounts and journalism. By concentrating the importance of the city and varied meeting places such as parks, river walks, bathing places, the street, bars and even churches, the contributors explore the extent to which gay space existed, the degree of social collectiveness felt by those who used this space and their individual histories.

Absolutely Positively Not Apr 14 2021 There is one thing Steven knows for sure: He's absolutely, positively NOT gay. Steven's a 16-year-old boy with two obsessions: sex and getting his driving license. The problem is, Steven's not thinking girls when he's thinking sex. Could he be -- don't say it -- gay? Steven sets out to get in touch with his inner he-man with Healthy Heterosexual Strategies such as "Start Hanging Out with the Guys," and "Begin Intensive Dating." But are Steven's tactics going to straighten him out, or leave him all twisted up? Absolutely hilarious. Positively sidesplitting. But absolutely, positively NOT GAY!

How To Be Gay Oct 01 2022 A pioneer of LGBTQ studies dares to suggest that gayness is a way of being that gay men must learn from one another to become who they are. The genius of gay culture resides in some of its most despised stereotypes—aestheticism, snobbery, melodrama, glamour, caricatures of women, and obsession with mothers—and in the social meaning of style.

The Lesbian and Gay Studies Reader Sep 07 2020 Bringing together forty-two groundbreaking essays--many of them already classics--The Lesbian and Gay Studies Reader provides a much-needed introduction to the contemporary state of lesbian/gay studies, extensively illustrating the range, scope, diversity, appeal, and power of the work currently being done in the field. Featuring essays by such prominent scholars as Judith Butler, John D'Emilio, Kobena Mercer, Adrienne Rich, Gayle Rubin, and Eve Kosofsky Sedgwick, The Lesbian and Gay Studies Reader explores a multitude of sexual, ethnic, racial, and socio-economic experiences. Ranging across disciplines including history, literature, critical theory, cultural studies, African American studies, ethnic studies, sociology, anthropology, psychology, classics, and philosophy, this anthology traces the inscription of sexual meanings in all forms of cultural expression. Representing the best and most significant English language work in the field, The Lesbian and Gay Studies Reader addresses topics such as butch-fem roles, the cultural construction of gender, lesbian separatism, feminist theory, AIDS, safe-sex education, colonialism, S/M, Oscar Wilde, Gertrude Stein, children's books, black nationalism, popular films, Susan Sontag, the closet, homophobia, Freud, Sappho, the media, the hijras of India, Robert Mapplethorpe, and the politics of representation. It also contains an extensive bibliographical essay which will provide readers with an invaluable guide to further reading. Contributors: Henry Abelove, Tomas Almaguer, Ana Maria Alonso, Michele Barale, Judith Butler, Sue-Ellen Case, Danae Clark, Douglas Crimp, Teresa de Lauretis, John D'Emilio, Jonathan Dollimore, Lee Edelman, Marilyn Frye, Charlotte Furth, Marjorie Garber, Stuart Hall, David Halperin, Phillip Brian Harper, Gloria T. Hull, Maria Teresa Koreck, Audre Lorde, Biddy Martin, Deborah E. McDowell, Kobena Mercer, Richard Meyer, D. A. Miller, Serena Nanda, Esther Newton, Cindy Patton, Adrienne Rich, Gayle Rubin, Joan W. Scott, Daniel L. Selden, Eve Kosofsky Sedgwick, Barbara Smith, Catharine R. Stimpson, Sasha Torres, Martha Vicinus, Simon Watney, Harriet Whitehead, John J. Winkler, Monique Wittig, and Yvonne Yarbro-Bejarano

Sex, Needs and Queer Culture Nov 21 2021 The belief of many in the early sexual liberation movements was that capitalism's investment in the norms of the heterosexual family meant that any challenge to them was invariably anti-capitalist. In recent years, however, lesbian and gay subcultures have become increasingly mainstream and commercialized — as seen, for example, in corporate backing for pride events — while the initial radicalism of sexual liberation has given way to relatively conservative goals over marriage and adoption rights. Meanwhile, queer theory has critiqued this 'homonormativity', or assimilation, as if some act of betrayal had occurred. In *Sex, Needs and Queer Culture*, David Alderson seeks to account for these shifts in both queer movements and the wider society, and argues powerfully for a distinctive theoretical framework. Through a critical reassessment of the work of Herbert Marcuse, as well as the cultural theorists Raymond Williams and Alan Sinfield, Alderson asks whether capitalism is progressive for queers, evaluates the distinctive radicalism of the counterculture as it has mutated into queer, and distinguishes between avant-garde protest and subcultural development. In doing so, the book offers new directions for thinking about sexuality and its relations to the broader project of human liberation.

The Penguin Book of Homosexual Verse Jun 24 2019 A collection of poems by and about homosexuals includes authors, such as Sappho, Walter Whitman, W.H. Auden, and Allen Ginsberg

Gay Dad Jan 30 2020 Gay Dad - Unavailable until official launch date 13th June 2016

Ties that Bind Jun 16 2021 "'Familial homophobia," as prizewinning writer and professor Sarah Schulman calls it, is a phenomenon that until now has not had a name but that is very much a part of life for the LGBT community. In the same way that Susan Brownmiller's *Against Our Will* transformed our understanding of rape by moving the stigma from the victim to the perpetrator, Schulman's *Ties That Bind* calls on us to recognize familial homophobia. She invites us to understand it not as a personal problem but a widespread cultural crisis. She challenges us to take up our responsibilities to intervene without violating families, community, and the state. With devastating examples, Schulman clarifies how abusive treatment of homosexuals at home enables abusive treatment of homosexuals in other relationships as well as in society at large."

This Book Is Gay Sep 19 2021 The bestselling young adult non-fiction book on sexuality and gender! Lesbian. Gay. Bisexual. Transgender. Queer. Intersex. Straight. Curious. This book is for everyone, regardless of gender or sexual preference. This book is for anyone who's ever dared to wonder. This book is for YOU. This candid, funny, and uncensored exploration of sexuality and what it's like to grow up LGBTQ also includes real stories from people across the gender and sexual spectrums, not to mention hilarious illustrations. Inside this revised and updated edition, you'll find the answers to all the questions you ever wanted to ask, with topics like: Stereotypes—the facts and fiction Coming out as LGBT Where to meet people like you The ins and outs of gay sex How to flirt And so much more! You will be entertained. You will be informed. But most importantly, you will know that however you identify (or don't) and whomever you love, you are exceptional. You matter. And so does this book.
