B's debut novel, Letters To My Ex, is a collection of letters written to a past love over a three year period of time that was never sent to him---but they are far from your typical love letters. If you are looking for a politically correct story, one with words that float on sugar-coated clouds as the sun sets, this story isn't for you. Heartbroken and confused, Cici. B pours her unfiltered emotions onto the pages. This isn't a "light read" or a "how to guide." It is raw, vulnerable and vivid. It begins with their struggle for diagnosis & uses anecdotes, description & conversation to lead readers through the frightening & sometimes humorous progression of Alzheimer's. The experiences are captured in letters written to the sister of the victim. The sisters worked together daily for nearly 20 years in Florida. When the older showed signs of Dementia, she moved to Arizona to be near her daughter & grandchildren. The daughter wrote weekly letters to her aunt describing her mother's physical & mental deterioration as well as changes in the mother/daughter relationship. Difficult decisions like home care, assisted living or nursing home placement & financial planning -- were shared by daughter & aunt. **So Much I Want to Tell You** Dec 31 2019 From Internet sensation Anna Akana comes a candid and poignant collection of essays about

love, loss, and chasing adulthood. In 2007, Anna Akana lost her teen sister, Kristina, to suicide. In the months that followed, she realized that the one thing helping her process her grief and begin to heal was comedy. So she began making YouTube videos as a form of creative expression and as a way to connect with others. Ten years later, Anna has more than a million subscribers who watch her smart, honest vlogs on her YouTube channel. Her most popular videos, including "How to Put On Your Face" and "Why Girls Should Ask Guys Out," are comical and provocative, but they all share a deeper message: Your worth is determined by you and you alone. You must learn to love yourself. In *So Much I Want to Tell You*, Anna opens up about her own struggles with poor self-esteem and reveals both the highs and lows of coming-of-age. She offers fresh, funny, hard-won advice for young women on everything from self-care to money to sex, and she is refreshingly straightforward about the realities of dating, female friendship, and the hustle required to make your dreams come true. This is Anna's story, but, as she says, it belongs just as much to Kristina and to every other girl who must learn that growing up can be hard to do. Witty and real, Anna breaks things down in a way only a big sister can. Praise for *So Much I Want to Tell You* "This book is filled with the kind of honesty, vulnerability, and determination that makes Anna such a captivating person. One warning: You'll want to hug her a lot while reading this."—Natalie Tran, actress and comedian "As a woman working in entertainment, Anna Akana is accustomed to feeling vulnerable. Which means that she's used to being brave. This book is a tribute to the duality of bravery and fear as told through Anna's experiences to date."—Hannah Hart, New York Times bestselling author of *Buffering: Unshared Tales of a Life Fully Loaded* "Frank advice on how to live a productive, happy life . . . written in tribute to a 'fearless, talented, and bold' sister."—Kirkus Reviews *Letters To My Weird Sisters* Sep 19 2021 'Limburg describes movingly her own struggles as a new mother and the pressure of society's expectations...Through such delicately intertwined experiences, Limburg quietly shouts for change.' Times Literary Supplement It seemed to me that many of the moments when my autism had caused problems, or at least marked me out as different, were those moments when I had come up against some unspoken law about how a girl or a woman should be, and failed to meet it. An autism diagnosis in midlife enabled Joanne Limburg to finally make sense of why her emotional

expression, social discomfort and presentation had always marked her as an outsider. Eager to discover other women who had been misunderstood in their time, she writes a series of wide-ranging letters to four 'weird sisters' from history, addressing topics including autistic parenting, social isolation, feminism, the movement for disability rights and the appalling punishments that have been meted out over centuries to those deemed to fall short of the norm. This heartfelt, deeply compassionate and wholly original work humanises women who have so often been dismissed for their differences, and will be celebrated by 'weird sisters' everywhere.

**Letters to my Daughter** Jun 04 2020 A fascinating insight into the political and private life of Australia's longest-serving prime minister. As Australia's longest-serving Prime Minister and the founder of the Liberal Party, Sir Robert Menzies is a towering figure in our political and cultural history. Letters to My Daughter is a collection of letters written by Menzies to his only daughter, Heather, throughout the fifties, sixties and seventies, when she was living overseas with her diplomat husband. They are full of warmth, love, humour and insights both political and personal and they allow us to see a completely different side of a man most Australians think of as a rather stern and forbidding authoritarian figure. The letters are so beautifully written they make you realise what a lost art letter writing is, and they are introduced by Heather herself, who explains the insider references and humorous asides. The collection also includes fascinating correspondence between Menzies and leaders of the day, including President John F. Kennedy and Gough Whitlam. Even the most rusted-on Labor voter will come away with a different view of Menzies and his legacy after reading this book.

**Letter To My Younger Self** Apr 14 2021 A Sunday Times Book of the Year All royalties from sales of this book go to The Big Issue If you could write a letter to your younger self, what would it say? Over 10 years ago, The Big Issue began to ask some of the best-known, most interesting and most successful figures in entertainment, politics, food, sport and business to give advice, offer hope and share a few jokes with their younger selves. This collection of 100 of the most incredible letters includes Paul McCartney on how he found inspiration, Olivia Colman on overcoming confidence problems, Mo Farah on the importance of losing, Arianna Huffington on knowing your motivations, Jamie Oliver on trusting your instinct and many, many more, including Rod Stewart, Margaret Atwood, Buzz Aldrin, David Cameron, Eddie Izzard, Desmond Tutu, Neil Gaiman, Ruby Wax, Ranulph Fiennes, Tracey Emin, Ian McEwan, Michael Palin, Melanie C, Tim Peake, Dionne Warwick and Ewan McGregor. Letter to My Younger Self is a revelatory and profound exploration into the wit and wisdom that age brings, and of the unique insights that looking back can reveal. Proceeds from the sales of this book go to The Big Issue to continue their work dismantling poverty and promoting social justice. "A truly wonderful book ... a gateway to intelligent, learned and genuinely inspiring stories, moments and

people ... We would highly recommend it ... It's a fab cause and put together seamlessly." Magic Radio - October Book Club Pick 'The answers make for great reading.' **Spilled Words** Jul 26 2019 In Spilled Words, the newest addition to Cici. B's growing list of raw and profound written works, she delivers a filterless snapshot of her love, pain, growth and resolve. Her trademark wittiness seamlessly blends with a familiar approach yet entirely new format to her writing. It is a story unlike any other in that it is made up entirely of quotes, but still somehow paints a beautiful and complete picture. If actions speak louder than words, her latest piece shows that she not only lives and breathes her words, she bleeds them, and spills them unapologetically onto the page.

Imagine My Surprise... Jan 30 2020 The essential humour gift book of the year returns in the anticipated fourth volume of this bestselling series ð guaranteed to provoke laughter and amazement. The first volume of unpublished letters to the Daily Telegraph, Am I Alone in ThinkingÉ?, not only became a Christmas bestseller but also established the paper's letter-writers as a uniquely waggish, eccentric and maverick institution. They can be relied

upon, particularly in the letters slightly too pungent or off-the wall to print, to offer a new and memorable take on the great events of the day. Now, with the fourth book in the series, Iain Hollingshead collects together our favourite letterwriters on everything from this summer's Olympics to the Queen's Diamond Jubilee, as well as the rather more obscure concerns voiced by ÔÕ, the habitual correspondent who believes himself to be the head of MI5 but writes from an internet cafŽ in Bristol. Trenchant, choleric and hilariously funny, this will once again be the humour book of the year.

scene from Sex and the City. Instead, she found a city full of people who knew where they were going and what they were doing ... Lonely and depressed, she noticed a woman who looked like she felt the same way on the subway. Hannah did something strange--she wrote the woman a letter. She folded it, scribbled 'If you find this letter, it's for you...' on the front and left it behind. When she realized that it made her feel better, she started writing and leaving love notes all over the city ... [eventually sending 400 handwritten letters as a result of an Internet post and starting the website The World Needs More Love Letters]"--
