**Scripture Wars** Oct 01 2022 About a century after Jesus died, a battle began for the Old Testament. Large numbers of faithful Christians fought about its contents and even about its right to be called a Christian book! On one side, many Jewish converts charged Paul and most of the other Apostles with a “Great Apostasy,” a pulling away from the deep roots of their Jewish tradition. This, they argued, endangered the souls of believers everywhere. They sought to retain intact the strict practices and teachings of the Old Testament and to integrate more of them into the still new and developing Christian Faith. On the other side, Marcionite Christians held such antipathy toward the Old Testament that they advocated leaving it behind entirely. They even sought to purge from the New Testament practices and notions they judged too friendly to Jewish ideas. The outcome of this conflict would affect nearly every aspect of the new Christian Faith — and the daily lives of believers everywhere, for centuries to come. Who won these crucial, climactic Scripture Wars? God did, of course — but not without raising up a great saint whose keen mind and deep faith expelled from Christianity both false understandings of how the gentle, loving God of the New Testament relates to the often-stern God of the Old. That saint was Justin of Neapolis, known today as St. Justin Martyr.

These pages tell the surprisingly exciting tale of Justin's encounters with these vigorous early heresies that threatened to paralyze the young Church just as she was struggling to her feet. Scripture Wars is an inspiring, true-life testimony to our Father's providence, a tale that has the power to strengthen the faith of Catholics even today, eighteen centuries later.

**The Canon of Scripture** May 28 2022 How did the books of the Bible come to be recognized as Holy Scripture? After nearly nineteen centuries the canon of Scripture remains an issue of debate. Adept in both Old and New Testament studies, F. F. Bruce brings the wisdom of a lifetime of reflection and biblical interpretation to bear in addressing the criteria of canonicity, the canon within the canon, and canonical criticism.

The David Story: A Translation with Commentary of 1 and 2 Samuel Jul 06 2020 "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

*Think* Jan 12 2021 This is a book to help Christians to think about thinking. Focusing on the life of the mind helps us to know God better, love him more, and care for the world. Along with an emphasis on emotions and the experience of God, we also need to practise careful thinking about God. Piper contends that 'thinking is indispensable on the path to passion for God'. So how are we to maintain a healthy balance of mind and heart, thinking and feeling? Piper urges us to think for the glory of God. He demonstrates from Scripture that glorifying God with our minds and hearts is not either-or, but both-and. Thinking carefully about God fuels passion and affections for God. Likewise, Christ-exalting emotion leads to disciplined thinking. Readers will be reminded that 'the mind serves to know the truth that fuels the fires of the heart'.

Come, Creator Spirit Nov 21 2021 Written particularly for the Charismatic Renewal in the English-speaking world, *Come, Creator Spirit* is a helpful guide for a better understanding of the Holy Spirit. In this detailed commentary on the famous hymn *Veni Creator*, sung at the beginning of every new year, ecumenical council, and priestly ordination, Fr. Raniero Cantalamessa describes the Paraclete and gives praise to its glory. Progressing through the hymn line by line, he provides insights, reflections, hymnography of Christian traditions, and testimonies of the saints. This book describes the Church's experience of the Spirit of today, as well as the past. The biblical and theological base of the hymn opens the reader to the perspectives and inspirations in this book. Its Vision of the Holy Spirit in the history of salvation emerges as the reader progresses through the reading. In the celebration of the ecumenical character of *Veni Creator*, this book draws from Orthodox, Protestant, and Catholic traditions for all those who wish to seek a better understanding of the Holy Spirit. Chapters are "Spirit, Come!" "Creator," "Fill with Heavenly Grace the Hearts that You Have Made," "You Whom We Name the Paraclete," "Most High Gift of God," "Living Water," "Fire," "Love," "Anointing for the Soul," "Sevenfold in Your Gifts," "Finger of God's Right Hand," "The Father's Solemn Promise," "Gifting Lips with the Word to Say," "Kindle Your Light in Our Minds," "Pour Love into Our Hearts," "Infirmity in This Body of Ours Overcoming with Strength Secure," "The Enemy Drive from Us Away," "Peace Then Give without Delay," "With You As Guide We Avoid All Cause of Harm," "Through You May We the Father Know," "Through You May We Know the Son As Well," and "And You, the Spirit of Them Both, May We Always Believe."

**Forgotten Scriptures** Mar 14 2021 The early Christian church had a variety of Scriptures and other source material that informed their faith and shaped their thinking. But after a few centuries the church decided to keep the twenty-seven books of our present New Testament and to treat them as a canonical in faith and practice. But what of the other books? Many of them have survived and remain valuable for understanding the diversity of the early Christian church and the astounding claims of faith on which it was founded. Learning about these ancient documents need not threaten the church's current orthodoxy and authority; in fact, learning about these texts can help today's Christians form a deeper understanding of the early church.

**Understanding End Times Prophecy** Oct 21 2021 Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

heaven to earth. When we open our mouths, heaven is speaking. When we prophesy, heaven is speaking. When we speak by the Spirit of God, heaven is speaking. No matter how much it seems like hell is raging, when we open our mouths and speak God's Word, heaven comes. In *Activate Heaven*, John Eckhardt shows you how to use your voice to advance God's agenda in the earth and equips you to stand against everything the enemy uses to silence your voice, from depression and confusion to sickness, pain, and rejection. The enemy would like nothing more than to silence the church. But when we open our mouths, the sick get healed, demons flee, miracles and finances are released, resulting in situations turned around. Speaking the will of God--speaking forth that which is in heaven--is the essence of the prophetic. Therefore, it's time to stop complaining and start prophesying. It's time to stop talking about how bad things are and begin to open our mouths and declare that as we speak heaven comes. This book will teach you how to use the most powerful tool you possess: Your voice. You will be empowered to rip off the muzzle placed upon you by man, and you will exercise the supernatural power of your voice.

*Vital Issues in the Inerrancy Debate* Nov 29 2019 The inerrancy of God's Word has been attacked throughout church history. Today's assaults are unique since neo-evangelicals now surrender to post-modernistic ideas of history and historical-critical ideologies that assault this vital doctrine. They seek to redefine the orthodox meaning of inerrancy. Since the signing of the Chicago Statements, troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy, or who do not remember the troubling times that caused their development. The nature and definition of "inerrancy" are now being changed to include ideas of fallibility. History is forgotten. The need arises for sounding the alarm for Vital Issues in Inerrancy. Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God's inerrant Word. The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on Biblical Inerrancy to uphold the inerrancy of God's Word: Isaiah 40:8--"The grass withers, the flower fades,

Dec 23 2021 This is a true story. His eye balls were rolling inside his skull as he came out of Cecilia's home. "What is the problem?" we asked him. This is not the person I use to know because his behavior changed. As we began to pray for him, he turned violent that three of us could hardly hold him down. About one hundred and forty four demons were cast out of him. The last twelve demons refused to leave as they claimed ownership of this brother. We stood our ground that brother Paul is a child of God. We rebuked and cast them out. Reluctantly they left, remaining their leader that also left after all false claims. This violent brother by now was slain in the spirit and slept like a baby for quite some time. When he woke up he looked surprised wondering what has happened. What happened was that he had gone and laid hands on this said Cecilia when he heard her screaming and shouting. Cecilia was not born again and had been demon possessed and ran mental for years. The junior sister who is a Christian shared with us in fellowship how the demons that visit or that are in her senior sister Cecilia one day threw her, the junior sister out of her own room to the outside. No hands seen but she was lifted up and thrown out. As Paul laid hands on her, demons transferred into Paul's hand to his body...Can a Christian be demon possessed or demonized, oppressed, depressed, or suppressed? More inside this book.
