address quality service delivery models including individual, classroom, and school-wide supports. In addition, academic intervention chapters concentrate on reading, mathematics, writing, and study skills. Finally, the book includes step-by-step directions for conducting Functional Behavior Assessments (FBA), developing Behavior Intervention Plans (BIP), and monitoring student progress. The book will serve as a valuable reference for educators supporting students with challenging behaviors. Key Features: *Case studies written by PreK-12 practitioners based on their experiences supporting students with emotional and behavioral disorders *Numerous worksheets and examples to support implementation of evidence-based practices *Accessible and consistent format across all chapters *Pedagogical aids reinforce understanding: chapter objectives, key terms, chapter summaries, discussion questions, and lists of additional resources and readings Disclaimer: Please note that ancillary content
