Motorized Obsessions Apr 26 2022 2008 Outstanding Academic Title, Choice Magazine From dirt bikes and jet skis to weed wackers and snowblowers, machines powered by small gas engines have become a permanent—and loud—fixture in American culture. But fifty years of high-speed fun and pristine lawns have not come without cost. In the first comprehensive history of the small-bore engine and the technology it powers, Paul R. Josephson explores the political, environmental, and public health issues surrounding one of America's most dangerous pastimes. Each chapter tells the story of an ecosystem within the United States and the devices that wreak havoc on it—personal watercraft (PWCs) on inland lakes and rivers; all-terrain vehicles (ATVs) in deserts and forests; lawn mowers and leaf blowers in suburbia. In addition to environmental impacts, Josephson discusses the development and promotion of these technologies, the legal and regulatory efforts made to improve their safety and environmental soundness, and the role of owners' clubs in encouraging responsible operation. Synthesizing information from medical journals, recent environmental research, nongovernmental organizations, and manufacturers, Josephson's compelling history leads to one irrefutable conclusion: these machines cannot be operated without loss of life and loss of habitat.

Summer Intrigue Oct 09 2020 Tyler Montague is, by anyone's estimation, successful: he's a young, handsome, and wealthy Wall Street investment banker living in Manhattan with his beautiful and ambitious girlfriend. So why is he so restless, so deeply discontented? When he finally admits that he's homesick for his birthplace—the mountains, the lake, and the serenity of southeastern Tennessee—Ty abandons his career, his girlfriend, and the frenzied atmosphere of New York and heads home. In Tennessee, Ty rejoins his mother to manage the family marina and soon encounters his first love, the high school sweetheart he left behind. But the tranquility and contentment he craves is soon shattered. A close friend becomes one of the victims in a series of brutal murders. Suspecting that the bullet may well have been meant for him and determined to clear his family's business of any involvement in the ongoing violence, Ty is compelled to help track the perpetrator of the heinous crimes. As the sniper continues to create mayhem in the community, using the mountain's natural contours to evade capture, Ty must summon his skill, courage, and knowledge of the terrain to stop the killer, save his family's reputation, and right the wrongs that are plaguing his own heart.

Boom Chicka Wah Wah Jan 30 2020 Gus Adams is a middle-aged debt management counselor in Winnipeg's Osborne Village who does not believe marriage and adventure go hand-in-hand. Trapped in the routine of a mundane relationship with his live-in girlfriend, Mitch, Gus secretly nurses a compulsion to explore his wild side, do something borderline insane, and test his manhood. After Gus confesses to Mitch that he needs to indulge in one last reckless activity in order to scratch his perpetual itch for excitement, she tells him her teenage niece is coming to live with them for the summer. Despite being faced with adolescent angst and a girlfriend who is making it more than obvious that her biological clock is ticking loudly, Gus still daydreams of satisfying his thrill-seeking pleasures. As he attempts one wacky stunt after another, Gus reignites the caveman inside of him—while Mitch wonders if all the time she has invested in their relationship has been worth it. *Boom Chicka Wah Wah* tells the tale of one man's roller-coaster journey to the realization that what he thinks is the end of a big adventure is really just the beginning.

Glossary for the Worldwide Transportation of Dangerous Goods and Hazardous Materials Jul 06 2020 What could the following possibly have in common? Accumulator...acid sludge...actuating cartridge...air bag inflator...cut back asphalt...Bangalore torpedo...wet battery...bhusa...blau gas...box toe gum...burstors...copra...dead oil... etching acid...fish meal...fracturing devices... gasohol...gutta percha.. hay... iron swarf...jet tapper... kapok...lithium cartouche...M86 fuel...natural uranium...organotin pesticides...pepper spray...petroleum raffinate...picrotoxin...refrigerant gas...rubber shoddy...safety squib...seed expeller...slurry explosive...tankage...turpentine substitute...uncalcined...varnish drier...wax vesta matches...zinc ash These are some of the vague and confusing regulatory terms that must be used to describe the 3.6 billion metric tons of dangerous chemicals and products transported around the world each year by air, land, and water. In fact, the use of this jargon, mandated by many national and international authorities like the United Nations, makes regulatory compliance and safe transportation extremely uncertain. Existing references provide little help. Even the regulations supply only a limited number of descriptions of the terms. Glossary for the Worldwide Transportation of Dangerous Goods and Hazardous Materials finally provides accurate, clear explanations of the terms used in worldwide transportation of hazardous materials. Written by a leading environmental and transportation consultant and educator, it is the principal reference for all shippers and transporters involved in the identification of dangerous goods and hazardous materials - the basis of all subsequent transportation requirements.

As If Something Happened Aug 07 2020 A thrilling YA novel that proves "some people are anaphylactic to each other." "...a humorously told and entertaining story that will appeal to YA fans and readers who enjoy young urban fantasy. The story is told in an absorbing first-person narrative and the exciting voice of the protagonist is hard to resist. The plot took me on a path I never anticipated... As If Something Happened is told by a master storyteller and features a young female protagonist who is richly developed and whose sense of humor is exceptionally depicted in the story." —Jose Cornelio for Readers' Favorite Fourteen-year-old, Laura "Elmur" Murphy figures that her genetic makeup has disadvantaged her. When she was five and wanted to be the pretty Indian Princess in the school play, she was given the part of a cowboy named Rag-time Joe instead. So, on the day freshmen from selected high schools throughout the world are injected with someone else's genes as part of "Stepping Away from I'ness," Elmur decides she wants to see the world from someone else's point of view. But after a sick twist of fate, she finds herself on the run with a group of other student misfits. In a real-life video game of strength and wits, Elmur must become the hero of her own story or risk becoming someone she doesn't recognize.

Dead Tide Surge Dec 31 2019 The group including the cop, Talaski, and the firefighter, Mills is stranded on the old fishing pier that once was the Skyway Bridge. To the northeast, Bronte's followers fight to the death for Tanglewood Island. Further inland the soldier Jacobs befriends a group of kids and finds them a haven at a small walled house they aptly dub the Alamo. Meanwhile, President Foster's wife, Julie, convinces a group of soldiers to take her back to her husband. Find out, too, what trouble Dead-Eye Johnny jumped into when he leapt off the Skyway and fell onto a cruise ship! Others like Trish and Natalie face terrible odds on their own. . Behind all of it is a shadowy corporation, a runaway scientist and a cut-throat mobster all determined to secure what is best for themselves! Humanity is in its death throes and still the survivors of the apocalypse struggle with and embrace friendship, love, lust, envy, hate, rage and cruelty beyond measure. The grueling task of finding a safe haven and securing supplies is far more difficult than it should be simply due to human nature. For the privileged, protected elite that task has been a burden shouldered by others as they wait in bunkers, or take the sun on the decks of yachts. The average survivor does what he or she has to, or what they can live with to survive. Until now. Witness the best and the worst that humanity has to offer as the dead tide surges, and what is left of civilization sinks into a morass of madness.
