Interview Intervention Mar 08 2021 If you are interviewing with a company, you are likely qualified for the job. Through the mere action of conducting the interview, the employer essentially implies this. So why is it difficult to secure the job you love? Because there are three reasons you actually get the job—none of which are your qualifications— and, unfortunately, you can only control one of them. iNTERVIEW iNTERVENTION creates awareness of these undetected reasons that pose difficulty for the job-seeker and permeate to the interviewer, handicapping the employer’s ability to secure the best talent. It teaches interview participants to use effective interpersonal communication techniques aimed at overcoming these obstacles. It guides job-seekers through the entire interview process to ensure they get hired. It teaches interviewers to extract the most relevant information to make sound hiring decisions. iNTERVIEW iNTERVENTION will become your indispensable guide to: ? Create self-

awareness to ensure you understand the job you want before—not after—the fact. ? Conduct research to surface critical employer information. ? Share compelling stories that include the six key qualities that make them believable and memorable. ? Respond successfully to the fourteen most effective interview questions. ? Sell yourself and gather intelligence through effective question asking. ? Close the interview to ensure the interviewer wants to hire you.

High-Impact Interview Questions Oct 03 2020 When most prospective hires come well prepared for interview questions we all expect, how do you distinguish their answers from any other applicant? With this book by your side, you will no longer have to do your best guess work on what answers are genuine, which are rehearsed, and which will end up not reflecting the employee in the least. This invaluable resource shows you how to dig deeper using competency-based behavioral interviewing methods to uncover truly relevant and useful information. Complete with advice on evaluating answers and assessing cultural fit, the second edition of *High-Impact Interview Questions* features dozens of all-new questions designed to gauge: accountability, assertiveness, attention to detail, judgment, follow-through, risk-taking, and more. When the candidate is asked to describe specific, job-related situations, you will gain a clearer picture of past behaviors--and more accurately predict future performance. By the end of an interview, the real person behind the résumé will be revealed and you will be able to make an offer based on accurate findings, not hopeful hunches.
