*****WINNER** of the 2011 Arts Foundation Fellowship in Short Story Writing***** **Short-Listed** for the 2010 Sunday Times EFG Private Bank Short Story Award**** *Long-listed** for the Frank O'Connor International Short Story Prize* Robotic insects, in-growing cutlery, flesh-serving waiters in a zombie cafe... Welcome to the surreal, misshapen universe of Adam Marek's first collection; a bestiary of hybrids from the techno-crazed future and mythical past; a users' guide to the seemingly obvious (and the world of illogic implicit within it). Whether fantastical or everyday in setting, Marek's stories lead us down to the engine room just beneath modern consciousness, a place of both atavism and familiarity, where the body is fluid, the spirit mechanised, and beasts often tell us more about our humanity than anything we can teach ourselves.

Manual Nov 12 2020 158 pages, and more than 130 illustrations and charts, size 8.25 x 10.75 inches. This publication is a compilation of two original BSA factory manuals, Workshop Manual (part number 00-4152) and Instruction Manual (part number 00-4140). Both of these manuals are identified by the factory as appropriate for the 4 speed D14/4 Supreme, Sports and Bushman models that were introduced in August 1967. However, this manual hits the 'sweet spot' of the 4 speed Bantam series, as both the earlier D10 Sports and Bushman 4 speed models (1966 to 1967) and the later D175 (1969 to 1971) share many of the same design attributes and mechanical components. For information on the earlier 1948 to 1966 models, the BSA Bantam 'Service Sheet Manual' (ISBN 9781588502506) is recommended. It contains 42 service sheets (150 pages) that cover the 1948 to 1966 rigid, spring frame, swing arm D1, D3, D5 and D7 Bantam.

However, as the prior year D7

was effectively identical to the 1966-1967 D10 Silver and Supreme models this manual will be of use to owners of those models also. The reader may also find 'The Book of the BSA Bantam' (ISBN 9781588502100) useful as it covers all Bantam models from 1948 to 1971. It should be noted that BSA model years ran from August through July. For example, the 1968 models were released in August 1967, the 1969 models in August 1968 etc. VelocePress.com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product. We encourage you to exercise caution when purchasing a manual for your motorcycle as many of the reprints found on internet websites are from 'bedroom sellers' at enticingly low prices by individuals that really have no idea what they are selling. Many are nothing more than poor quality comb-bound photocopies that

scanned and printed complete with greasy pages and thumbprints and, as such, are deceptively described as 'pre-

owned', 'used' or even 'refurbished'! In addition, they are often advertised for the incorrect series and/or model years of motorcycles.
