Second Grade Basic Skills Curriculum Feb 08 2021 At Plain and not so Plain Academy we believe that learning at home should be an enjoyable time between you and your child. Not something that they dread because they have hundreds of repetition problems to do over and over again. Plain and not so Plain Academy's approach to schooling is to concentrate on the basics and then fill in with real life learning. This approach to schooling is meant to take the stress and fear out of teaching your child at home. We take all the extra complexities out of schooling and get back to the basics of reading, writing, and arithmetic. This allows the student extra time to pursue other areas of interest. **\*\*THIS IS AN UPDATED VERSION...
