This couldn't be what Amelia was supposed to meet here, could it? Why would she send Amelia to fight such a - whatever it was - without warning her first? Amelia didn't have time to worry any longer as the creature took another giant step forward, looming closer and lowering its huge head towards her, revealing its bright white eyes, sitting in slits in the skull. Amelia's Way Apr 04 2020 Some might say we are what we inherit. Others may suggest that one ought to ponder over where we come from, claiming that it serves as a moral compass and guides us on our journey through life. Our lives would scarcely be interesting if we were able to predict the details of our destination. Instead one should savour the experiences and embrace the journey. brightly. From the outset she had a clear perception of the life she wanted, a life etched in her dreams and expectations. One night of passion during her final year at school changed everything. All the dreams she had and the pledges she ever made, were in jeopardy. It prompted her into leaving the Cape Colony and joining her parents on a journey to Springfontein, a remote village in the Republic of the Orange Free State, where they began farming. The story is told against the background of the Anglo Boer War in 1899 and describes Amelia's journey of survival, taken by women and children. It tells of the gold rush on the Witwatersrand and how the leaders chose war while grasping at greed, allowing the option of peace to pass them by. It explores the lives of ordinary people who were caught up in the turmoil of this war, some of whom were incarcerated in refugee camps. It tells of an intrepid group of people, who abandoned their farm to escape the dominance of the British, and

who were given refuge by a Koranna tribe in a settlement near the Basotholand border. It is here that Amelia meets the benevolent Chief Thaba and the intimidating Pulani, a sangoma with whom she forges a relationship and discovers a remarkable cure for one of the many ailments that ravaged the lives of children during the war. After learning that her mother Helena and companion Mieta were captured and relocated to a new camp at Norvals Pont, Amelia and her son Daniel attempt a daring mission to rescue them. The story describes the events that led Amelia's father Christoffel Binneman, to assist Generals De la Rey, De Wet and others, before they assembled at Melrose House in Pretoria on the 31st May 1902, to sign the Peace Treaty of Vereeniging. It describes the futility of this war.

From USA Today Bestselling Author Amelia Hutchins comes a tale of love, war, and betrayal. A king who craves to possess her mind, body, and soul. A council who has deemed her too dangerous to live. And a fate she never asked for, but can't escape. What's a girl to do? Within the Nine Realms, deception runs deep. War lingers on the horizon, as armies gather deeply within the shadows. The land has chosen its hero, but war demands a heavy price--one Aria may not be prepared to pay. Those she

thought she could trust have deceived her. The council has declared her the enemy. Everything that can be taken from her has been wrenched from her grasp. When everyone is pushing her to become the villain they claim her to be, will she be able to become the monster the realms need? They created Aria to rule the Nine Realms, but now they fear she's too dangerous and ruthlessly savage to live. Will she allow them to guide her future, or will Aria blaze her own path and choose her own future? Well-behaved women never make history. But no one forgets the misbehaved woman with murderous intent, honed claws, and sharp teeth. War may not be the only thing setting the world to ruin. Are you brave enough to enter the Nine Realms? There's a queen rising, and in chaos, she'll reign. A note from the publisher. This book is a true enemy to lover's tale. It deals with death and adversity. It is merciless, savage, and a view of how broken things overcome against inconceivable odds. The steam between these two burns the pages. Knox

is savagery in motion, and Aria is a chaotic beauty. So what happens when brutality and beauty collide? Aria and Knox burn so hot together that they may very well leave the Nine Realms in nothing more than ashes.

My Vladislaus Dracula Aug 21 2021 When the name Dracula is spoken, what image comes into your mind? Do you think of a bloodthirsty monster made up by an Irish story-teller who never stepped foot on Romanian soil? What if the pamphlets and documents written about him, were only made up to control him, use his power, and condemn him to prison?
