Arizona Place Names Oct 11 2020 Will Croft Barnes (1858-1937) first came to Arizona as a cavalryman and went on to become a rancher, state legislator, and conservationist. From 1905 to 1935, his travels throughout the state, largely on horseback, enabled him to gather the anecdotes and geographical information that came to constitute *Arizona Place Names*. For this first toponymic encyclopedia of Arizona, Barnes compiled information from published histories, federal and state government documents, and reminiscences of "old timers, Indians, Mexicans, cowboys, sheep-herders, historians, any and everybody who had a story to tell as to the origin and meaning of Arizona names." The result is a book chock full of oddments, humor, and now-forgotten lore, which belongs on the night table as well as in the glove compartment. Barnes' original *Arizona Place Names* has become a booklover's favorite and is much in demand. The University of Arizona Press is pleased to reissue this classic of Arizoniana, which remains as useful and timeless as it was more than half a century ago.

Dry Creek Willows Poems Mar 28 2022 In *Dry Creek Willows Poems* H. G. Moser completes his explorations into the humor and pathos of everyday life. The collection includes short, often aphoristic, poems and structural poems that range from classic concrete forms to words and symbols woven into fabrics of undiscovered texture. Each poem treats a puzzling moment of human consciousness. An excerpt from a novella in the form of a prose poem draws on the author's love for fishing and for those who seek its mysteries.

Library of Congress Subject Headings May 18 2021

The Singing Creek where the Willows Grow Nov 04 2022 The author of the popular *The Tao of Pooh* brings back the forgotten diaries of Opal Whiteley, which were the literary sensation of 1920 but surrounded by scandal soon after. Hoff also tells the tale of Opal herself, a gifted but disturbed little girl who was destroyed when her private fantasies were exposed to public scrutiny. 8 pages of black-and-white photographs.

Just Sisters Oct 30 2019 Combines whimsical and inspirational animal photography with lighthearted quotes celebrating the unique duality of sisterhood and the ways in which a sister can

be both a soulmate and a dire enemy.

Organic Farming: Livestock Aug 21 2021 This book about organic livestock follows others in this series *Organic Farming: an introduction* and *Organic Farming: crops, fruits and vegetables*. The principles of ecology outlined in the introductory book are essential for the success of any organic enterprise and this includes the importance of soil and its continuing improvement because soil is essential to the production of feed for livestock. This book covers some principles of organic livestock farming plus extensive case studies for a range of enterprises such as lamb and beef, dairy, pigs, mussels, turkey, eggs and wool — and many other examples. There is a growing demand for organic produce, and this book explores the value-adding benefits of organic practices in farming, economically and environmentally. With a scientific background and a wide range of real world case studies, this book will help you consider different methods of organic farming and how to implement them. It will show you how to farm in a way that cares for the environment, without using synthetic chemicals. Other titles in this series: *Organic Farming: An introduction* *Organic Farming: Crops, Fruits and Vegetables*

U.S. Geological Survey Circular Feb 01 2020

The Definitive Journals of Lewis and Clark May 06 2020 In twelve remarkable volumes, Gary E. Moulton has edited the journals of the Lewis and Clark expedition of 1804-6, thus making clear and accessible to all readers the plethora of maps and words with which Meriwether Lewis and William Clark documented one of the greatest ventures of discovery in American history. With the Comprehensive Index, the thirteenth volume, Moulton completes his work and offers everyone

who consults the Journals a complete and detailed means of locating specific passages, references, and particular people or places within the larger work. Throughout the edition, his guiding principles have been clarity and ease of use. Consequently, the notes are indexed more thoroughly here than in most works and include modern place-names, modern denominations for Indian nations, and current popular and scientific names for various cited species. This volume also contains a list of corrections for earlier volumes.

History of Late Holocene Earthquakes at the Willow Creek Site and on the Nephi Segment, Wasatch Fault Zone, Utah May 30 2022 This 43-page report presents new data from the Willow Creek site that provides well-defined and narrow bounds on the times of the three youngest earthquakes on the southern strand of the Nephi segment, Wasatch Fault zone, and refines the time of the youngest earthquake to about 200 years ago. This is the youngest surface rupture on the entire Wasatch fault zone, which occurred about a century or less before European settlers arrived in Utah. Two trenches at the Willow Creek site exposed three scarp-derived colluvial wedges that are evidence of three paleoearthquakes. OxCal modeling of ages from Willow Creek indicate that paleoearthquake WC1 occurred at 0.2 ± 0.1 ka, WC2 occurred at 1.2 ± 0.1 ka, and WC3 occurred at 1.9 ± 0.6 ka. Stratigraphic constraints on the time of paleoearthquake WC4 are extremely poor, so OxCal modeling only yields a broadly constrained age of 4.7 ± 1.8 ka. Results from the Willow Creek site significantly refine the times of late Holocene earthquakes on the Southern strand of the Nephi segment, and this result, when combined with a reanalysis of the stratigraphic and chronologic information from previous investigations at North Creek and Red Canyon, yield a stronger basis of correlating individual earthquakes between all three sites.

Why Horses Do That Jan 02 2020 Why do horses "spook" at things? Why do horses kick if approached from the rear? Why do horses sleep standing up? Why do horses breathe into each other's nostrils? These and 36 other curious equine behaviors are informatively and lightheartedly answered in the handsomely illustrated "Why Horses Do That." An original pencil drawing illustrates each insightful explanation of odd but characteristic horse actions.

Sloth Yoga Jul 08 2020 This charming book hilariously illustrates that yoga isn't just for people anymore! A Sloth persuing total relaxation and mindfulness meditation demonstrate classic poses that would seem impossible to achieve, were it not for the photographic proof presented here. These sloth yogis are in no rush to complete their yoga sequence, it often takes an entire month just to complete a single pose. Sloth Yoga takes this popular meditative practice to a new level of Zen. Yes, yes, and yes! Paired with inspiring Zen, yoga and meditation quotes, Sloth Yoga is

posed to inform and delight all human practitioners of the ancient discipline. What a unique way to bring humor and relaxation into someones life by giving them this unique book as a gift.

Willow Creek Showdown Apr 28 2022 Hawk knew all about death and trouble, and thats why he was a loner. He had a quick smile, a fast gun and a horse that had sense enough to turn its rear to the wind in a storm. He was a smart horse and that was more that he could say for some humans he had met lately. They all seemed to have one thought on their minds and that was attending his funeral and if a popularity poll was taken, it looks like he would have to hire pallbearers. In 1863, Bloody Bill Anderson and his outlaws stopped a westbound train just outside Centralia, Missouri. They stole the strongbox, which contained three thousand dollars, and executed twenty-five Union Soldiers. Hawk remembered his two brothers who were killed that day. As a small boy he tried in vain to comfort his mother who died a few months later of a broken heart. It was that day in the churchyard that he swore on his mothers grave that he would get revenge. Now his time had come and the trail of these killers had lead him to Frank James and Bob Ford and a question he may not live long enough to answer. Why was it that everyone who knew about the agreement between the Ford Brothers and the James Brothers, committed suicide, died mysteriously, or was murdered? Hawk knew he would have to find the answer to that question or die trying.

Willow Creek Seeker Services Jun 30 2022 This comprehensive study of the worship service style that is influencing thousands of churches and their leaders worldwide addresses controversies and draws lessons for the church today.

The Bride of Willow Creek Sep 21 2021 Ten years ago Angie Bartoli eloped with Sam Holland. But

before their impetuous marriage even began, they were torn apart by chance. For Angie, the gold band on her finger is a constant reminder of the man she could never forget. Aiming to find her husband and resolve their relationship once and for all, Angie sets out on the adventure of a lifetime. In a small Colorado town, Angie discovers that her young groom has grown into a man--still handsome, irresistible, and infuriating as ever . . . and now the father of two young children. Forced to become a temporary family, Sam and Angie are surprised to find a deeper love awakening between them--one that could require more than they are willing to give if they are to forge a lasting new life on the American frontier.

Falling in Love on Willow Creek Sep 02 2022 Fall in love with the latest Highland Falls romance about a single mom-to-be's surprise delivery and the undercover FBI agent who rescues her and her heart in the small town of Highland Falls. Single mom-to-be Sadie Gray will do anything to find her younger brother before the law catches up with him. Even if it means returning home to the small town of Highland Falls with a baby due any moment. But when that moment comes sooner than expected, and Sadie finds herself stranded on the top of a mountain—in labor--she couldn't be more grateful for the park ranger who finds her and helps deliver her daughter safely. Soon they've formed a tight friendship, and while he may be hinting at more, Sadie isn't planning to stick around after she finds her brother. FBI agent Chase Roberts wasn't looking for love when he agreed to go undercover as a park ranger to find an on-the-run informant. But he can't help being drawn to beautiful, warm-hearted Sadie and her sweet baby daughter. He's always longed to put down roots and start a family. But how can he hope to keep Sadie's trust when she finds out that his job is to arrest the brother she's been looking for? Includes the bonus novella A Wedding on Honeysuckle Ridge for the first time in print!

Last to Know Oct 23 2021 He was just a boy. And I was just a girl. But if that's all there was to the

story it wouldn't be very interesting, would it? Up and coming band Willow Creek is back in their hometown for the summer. For the drummer, Maddox Wade, this summer was meant for writing music and playing gigs. Falling in love was not part of the plan. One look at Emma Burke and those plans cease to matter. Emma is quiet and guarded. She's still hurt from her father walking out two years ago. She doesn't want to trust Maddox, but with his dark hair, smoldering good looks, and infectious smile he's impossible to resist. Together Maddox and Emma embark on an unforgettable summer of adventures and first love. Everything is perfect...or so Emma thinks. There are things she doesn't know, and when she finds out the truth it might shatter everything she's built with Maddox. No one said love was easy, and for Maddox and Emma it just might be impossible.

Willow Run Farm Sep 29 2019 WILLOW RUN FARM, the initial book in a trilogy, records the author's experience of growing up on a working farm in the rural Midwest during the Great Depression. In her Pulitzer Prize-winner, "The Shipping News," E. Annie Proulx states: "What don't happen is also news." Marcella Grenga candidly lays down vignettes from rural life and scenes from a one-room schoolhouse. The tone spans from the undercurrent of love in the Woolf family to the quiet but often brutal realities of farm life. The toil on the farm and antics in the one-room school serve as backdrops for this warm, wise-cracking, poignant memoir of a time lost to chronology but not to memory. By grit and wit, the Woolf family survived the 1930s largely through their own down-home ingenuity. In the 1930s, 4,000,000 Americans were forced into despair and from their homes, including 250,000 children. That the Woolf family stayed intact by growing their own food is: "the news that didn't happen." W/illustrations by the authors.

WILLOW STICKS Sep 09 2020 These are stories all based in Blackfeet Country (Edmonton to Yellowstone, Rockies to Black Hills) but in very different time periods from pre-contact to the present. They are meant to be examples for the Blackfeet to use in writing their own stories.
