Who Was Benedict Arnold? Jul 30 2022 Find out how this one-time American hero became the country's most notorious traitor. As a young child, Benedict Arnold never shied away from a fight. So when the French and Indian War began in 1754, Benedict was eager to join the militia and fight for the British colonies in America. And when he was eighteen years old, he got his chance. Arnold had no idea that less than twenty years later, he would be fighting against the British in the Revolutionary War. Now the captain of his own militia, Benedict won the admiration of his troops and George Washington when he captured a major British fort. He continued fighting for the colonies and was even considered a patriotic war hero after being wounded in battle. But in 1780, Benedict made a decision that no one could anticipate. He betrayed his fellow Americans and joined the British army. Author James Buckley Jr. takes us through Benedict's life and explains the events that led him to switch sides and become the most famous turncoat in American history.

[Benedict Arnold's Army](#) Sep 07 2020 A brilliant American combat officer and this country's most famous traitor, Benedict Arnold is one of the most fascinating and complicated people to emerge from American history. His contemporaries called Arnold "the American Hannibal" after he successfully led more than 1,000 men through the savage Maine wilderness in 1775. The objective of Arnold and his heroic corps was the fortress city of Quebec, the capital of British-held Canada. The epic campaign is the subject of Benedict Arnold's Army, a fascinating campaign to bring Canada into the war as the 14th colony. The initiative for the assault came from George Washington who learned that a fast moving detachment could surprise Quebec by following a chain of rivers and lakes through the Maine wilderness. Washington picked Col. Benedict Arnold, an obscure and controversial Connecticut officer, to command the corps who signed up for the secret mission. Arnold believed that his expedition would reach Quebec City in twenty days. The route turned out to be 270 miles of treacherous rapids, raging waterfalls, and trackless forests that took months to traverse. At times Arnold's men were up to their waists in freezing water dragging and pushing their clumsy boats through surging rapids and hauling them up and over waterfalls. In one of the greatest exploits in American military history, Arnold led his famished corps through the early winter snow, up and over the Appalachian Mountains, and on to Quebec. Benedict Arnold's Army covers a largely unknown but important period of Arnold's life. Award-winning author Arthur Lefkowitz provides important insights into Arnold's character during the earliest phase of his military career, showing his aggressive nature, need for recognition, experience as a competitive businessman, and his obsession with honor that started him down the path to treason. Lefkowitz extensively researched Arnold's expedition and made numerous trips along the same route that Arnold's army took. Benedict Arnold's Army also contains a closing chapter with detailed information and maps for readers who wish to follow the expedition's route from the coast of Maine to Quebec City. There is a growing interest in the Founding Fathers and the Revolutionary War as a source of national pride and identity and the Arnold Expedition as told through Benedict Arnold's Army is one of the greatest adventure stories in American history. Arthur S. Lefkowitz lives in central New Jersey

[Valiant Ambition](#) Nov 09 2020 A New York Times Bestseller Winner of the George Washington Prize A surprising account of the middle years of the American Revolution and the tragic relationship between George Washington and Benedict Arnold, from the New York Times bestselling author of In The Heart of the Sea, Mayflower, and In the Hurricane's Eye. "May be one of the greatest what-if books of the age—a volume that turns one of America's best-known narratives on its head."—Boston Globe "Clear and insightful, [Valiant Ambition] consolidates Philbrick's reputation as one of America's foremost practitioners of narrative nonfiction."—Wall Street Journal In the second book of his acclaimed American Revolution series, Nathaniel Philbrick turns to the tragic relationship between George Washington and Benedict Arnold. In September 1776, the vulnerable Continental army under an unsure George Washington evacuated New York after a devastating defeat by the British army. Three weeks later, one of his favorite generals, Benedict Arnold, miraculously succeeded in postponing the British naval advance down Lake Champlain that might have lost the war. As this book ends, four years later Washington has vanquished his demons, and Arnold has fled to the enemy. America was forced at last to realize that the real threat to its liberties might not come from without but from within Complex, controversial, and dramatic, Valiant Ambition is a portrait of a people in crisis and the war that gave birth to a nation.

[The Battle of Valcour Island](#) Jun 24 2019 The book provides new information about the Battle of Valcour Island which took place on Lake Champlain in October of 1776. It contains a biography of sixteen of the seventeen captains of the American vessels that were in the battle. No such comprehensive information has been published before. It contains a description of all of the American vessels in the battle as well as the story of how the first vessels of the American fleet were obtained and how the last group of vessels were destroyed or captured in 1777. In addition, the book includes first hand accounts from pension applications, journals, memoirs and letters of American participants and journals and letters of British participants. Finally, the book contains a never before published roster of 448 officers and men who participated in the battle on the American side.

[Benedict Arnold](#) Aug 19 2021 "Describes Benedict Arnold's actions during the Revolutionary War and his betrayal of the Patriot cause"--

[Benedict Arnold, Revolutionary Hero](#) Dec 23 2021 This landmark biography stands as an invaluable antidote to the historical distortion surrounding the life of Benedict Arnold.

[Benedict Arnold](#) May 28 2022 Benedict Arnold's name has become synonymous with the word traitor, but Arnold's legend neglects the fact that Arnold was an outstanding military leader, and had several important victories against the British in the early days of the American Revolution. This volume presents portrait of the man, giving the reader an understanding of Arnold's motives for betraying the country for which he had once fought so diligently.

Life is short, so explore a multitude of fascinating historical, biographical, scientific, political, and financial topics in only an hour each. "Don't be a Benedict Arnold!" In North America, this very name is synonymous with traitor, backstabber, conspirator. Yet before he defected to the British Army, Arnold's contemporaries praised him for his heroism. What caused this man to turn on his peers and sully his name for all time? This fascinating look into Arnold's life unravels the bias surrounding the man, shedding light on the intent behind his infamous act.

[Benedict Arnold](#) Jul 26 2019 Benedict Arnold (1741-1801) was an American general, who moved to the British side during an American War of Independence. He planned the delivery of the West Point fort to the British. After the plan was discovered in September 1780, he was enlisted in the British Army in the rank of Brigadier General. He is considered by many the best and most accomplished leader of the American Continental Army. Without Arnold for his cause, the American Revolution might have been lost, and after he shifted aside, his name became a synonym for betrayal in the United States. Born in Connecticut, Arnold was a merchant operating in the Atlantic Ocean when the war broke out in 1775. After entering the growing army on the outskirts of Boston, he distinguished himself by acts of cleverness and courage. His actions included the capture of Fort Ticonderoga in 1775, defensive tactics and dilatory maneuvers, although he lost the battle of Valcour Island on Lake Champlain in 1776, the Battle of Ridgefield, Connecticut (as a result of which he was promoted to Major General), Relief operations at the Fort Stanwix siege, and key actions at the crucial battle of Saratoga in 1777, in which he suffered leg wounds, which ended his combat career for several years.

[The Sacrifice of John André](#) Aug 07 2020 A new biography of John André, head of British secret services in the Revolutionary War, who was captured in 1780 and hanged as a spy.

[The Traitor's Wife](#) Mar 26 2022 A riveting historical novel about Peggy Shippen Arnold, the cunning wife of Benedict Arnold and mastermind behind America's most infamous act of treason... Everyone knows Benedict Arnold—the Revolutionary War general who betrayed America and fled to the British—as history's most notorious turncoat. Many know Arnold's co-conspirator, Major John André, who was apprehended with Arnold's documents in his boots and hanged at the orders of General George Washington. But few know of the integral third character in the plot: a charming young woman who not only contributed to the betrayal but orchestrated it. Socialite Peggy Shippen is half Benedict Arnold's age when she seduces the war hero during his stint as military commander of Philadelphia. Blinded by his young bride's beauty and wit, Arnold does not realize that she harbors a secret: loyalty to the British. Nor does he know that she hides a past romance with the handsome British spy John André. Peggy watches as her husband, crippled from battle wounds and in debt from years of service to the colonies, grows ever more disillusioned with his hero, Washington, and the American cause. Together with her former love and her disaffected husband, Peggy hatches the plot to deliver West Point to the British and, in exchange, win fame and fortune for herself and Arnold. Told from the perspective of Peggy's maid, whose faith in the new nation inspires her to intervene in her mistress's affairs even when it could cost her everything, The Traitor's Wife brings these infamous figures to life, illuminating the sordid details and the love triangle that nearly destroyed the American fight for freedom.

[The Traitor's Wife](#) Aug 31 2022 Retells through the perspective of her maid the story of Peggy Shippen Arnold, the mastermind behind America's most infamous act of treason,

as Peggy hatches a plot to deliver West Point to the British.

Benedict Arnold and the American Revolution Sep 19 2021 Examines the life of the brilliant general who became America's most infamous Revolutionary War traitor.

The Real Alexander Hamilton Nov 02 2022 These days it seems everyone is signing the praises of Alexander Hamilton, but what's the all the fuss about? After all, Hamilton was never a president, nor was he a beloved figure in his time. After rising from humble origins, he won powerful friends and made powerful enemies during his life, which ended in his infamous duel with Aaron Burr. Still, the United States is indebted to Hamilton for his actions as the first U.S. Secretary of the Treasury, when his leadership set the new nation on a course toward prosperity and economic power.

Benedict Arnold Oct 01 2022 Biography of the Revolutionary War patriot that turned traitor and fought for the British against the colonists.

The Notorious Benedict Arnold Mar 02 2020 Most people know that Benedict Arnold was America's first, most notorious traitor. Few know that he was also one of its greatest Revolutionary War heroes. Steve Sheinkin's accessible biography, *The Notorious Benedict Arnold*, introduces young readers to the real Arnold: reckless, heroic, and driven. Packed with first-person accounts, astonishing American Revolution battle scenes, and surprising twists, this is a gripping and true adventure tale from history. Steve Sheinkin is the acclaimed author of many nonfiction works, including *The Notorious Benedict Arnold: A True Story of Adventure, Heroism & Treachery*, *Newbery Honor Book* and *National Book Award Finalist Bomb: The Race to Build—and Steal—the World's Most Dangerous Weapon*, and *National Book Award finalist Most Dangerous: Daniel Ellsberg and the Secret History of the Vietnam War*. Praise for *The Notorious Benedict Arnold: A True Story of Adventure, Heroism & Treachery*: "Sheinkin sees Arnold as America's 'original action hero' and succeeds in writing a brilliant, fast-paced biography that reads like an adventure novel. . . . The author's obvious mastery of his material, lively prose and abundant use of eyewitness accounts make this one of the most exciting biographies young readers will find." —Kirkus Reviews, starred review "American history is brought to life in this engaging story of revolution and treason. . . . The Notorious Benedict Arnold is likely to make readers want to learn more about the American Revolution and its players, great and small." —School Library Journal, starred review "Several complex political, social, and military themes emerge, one of the most prominent being that within the Continental army, often simplistically depicted as single-minded patriots, beat hearts scheming with political machinations that are completely familiar today. . . . Arnold's inexorable clash with Gates and his decision to turn traitor both chill and compel." —Horn Book Magazine, starred review "History junkies are in for a treat when they pick up this lively, highly readable biography of the U.S.'s most vilified traitor. . . . A worthy addition to all libraries." —Booklist Books by Steve Sheinkin: *Bomb: The Race to Build—and Steal—the World's Most Dangerous Weapon* *The Notorious Benedict Arnold: A True Story of Adventure, Heroism & Treachery* *The Port Chicago 50: Disaster, Mutiny, and the Fight for Civil Rights: Undeclared: Jim Thorpe and the Carlisle Indian School Football Team Most Dangerous: Daniel Ellsberg and the Secret History of the Vietnam War Which Way to the Wild West?: Everything Your Schoolbooks Didn't Tell You About Westward Expansion King George: What Was His Problem?: Everything Your Schoolbooks Didn't Tell You About the American Revolution Two Miserable Presidents: Everything Your Schoolbooks Didn't Tell You About the Civil War*

The Tragedy of Benedict Arnold: An American Life Oct 09 2020 A vivid and timely re-examination of one of young America's most complicated figures: the war hero turned infamous traitor, Benedict Arnold. Proud and talented, history now remembers this conflicted man solely through the lens of his last desperate act of treason. Yet the fall of Benedict Arnold remains one of the Revolutionary period's great puzzles. Why did a brilliant military commander, who repeatedly risked his life fighting the British, who was grievously injured in the line of duty, and fell into debt personally funding his own troops, ultimately become a traitor to the patriot cause? Historian Joyce Lee Malcolm skillfully unravels the man behind the myth and gives us a portrait of the true Arnold and his world. There was his dramatic victory against the British at Saratoga in 1777 and his troubled childhood in a pre-revolutionary America beset with class tension and economic instability. We witness his brilliant wartime military exploits and learn of his contentious relationship with a newly formed and fractious Congress, fearful of powerful military leaders, like Arnold, who could threaten the nation's fragile democracy. Throughout, Malcolm weaves in portraits of Arnold's great allies—George Washington, General Schuyler, his beautiful and beloved wife Peggy Shippen, and others—as well as his unrelenting enemy John Adams, British General Clinton, and master spy John Andre. Thrilling and thought-provoking, *The Tragedy of Benedict Arnold* sheds new light on a man—as well on the nuanced and complicated time in which he lived.

Benedict Arnold Jun 28 2022 General, soldier, businessman, traitor: these are all words associated with the name Benedict Arnold. One of America's greatest soldiers and most reviled traitors, he was also a significant and intriguing player in Canada's history. In *Benedict Arnold* Barry Wilson takes a fresh look at this controversial, fascinating, and legendary figure who left behind a legacy of colorful tales, a string of descendants, and a military coat that still hangs in a Saskatchewan farmhouse.

The Man in the Mirror Jun 04 2020 Shows how the personal insecurities and longings for material wealth of the brilliant military leader undermined his superior qualities and how his transgressions eventually caught up with him. 12,500 first printing. \$15,000 ad/promo. Tour.

Turncoat Mar 14 2021 Why did the once-ardent hero of the American Revolutionary cause become its most dishonored traitor? General Benedict Arnold's failed attempt to betray the fortress of West Point to the British in 1780 stands as one of the most infamous episodes in American history. In the light of a shining record of bravery and unquestioned commitment to the Revolution, Arnold's defection came as an appalling shock. Contemporaries believed he had been corrupted by greed; historians have theorized that he had come to resent the lack of recognition for his merits and sacrifices. In this provocative book Stephen Brumwell challenges such interpretations and draws on unexplored archives to reveal other crucial factors that illuminate Arnold's abandonment of the revolutionary cause he once championed. This work traces Arnold's journey from enthusiastic support of American independence to his spectacularly traitorous acts and narrow escape. Brumwell's research leads to an unexpected conclusion: Arnold's mystifying betrayal was driven by a staunch conviction that America's best interests would be served by halting the bloodshed and reuniting the fractured British Empire.

Treacherous Beauty Apr 26 2022 Histories of the Revolutionary War have long honored heroines such as Betsy Ross, Abigail Adams, and Molly Pitcher. Now, more than two centuries later, comes the first biography of one of the war's most remarkable women, a beautiful Philadelphia society girl named Peggy Shippen. While war was raging between England and its rebellious colonists, Peggy befriended a suave British officer and then married a crippled revolutionary general twice her age. She brought the two men together in a treasonous plot that nearly turned George Washington into a prisoner and changed the course of the war. Peggy Shippen was Mrs. Benedict Arnold. After the conspiracy was exposed, Peggy managed to convince powerful men like Washington and Alexander Hamilton of her innocence. The Founding Fathers were handicapped by the common view that women lacked the sophistication for politics or warfare, much less treason. And Peggy took full advantage. Peggy was to the American Revolution what the fictional Scarlett O'Hara was to the Civil War: a woman whose survival skills trumped all other values. Had she been a man, she might have been arrested, tried, and executed. And she might have become famous. Instead, her role was minimized and she was allowed to recede into the background—with a generous British pension in hand. In *Treacherous Beauty*, Mark Jacob and Stephen H. Case tell the true story of Peggy Shippen, a driving force in a conspiracy that came within an eyelash of dooming the American democracy.

The Patriot Traitor: the Life and Legacy of Benedict Arnold Apr 14 2021 "Explains Arnold's achievements for the Americans, his treason, and how he has been remembered. "Includes pictures of Arnold and important people, places, and events in his life. "Neglected by Congress below, distressed with the small-pox; want of Generals and discipline in our Army, which may rather be called a great rabble, our credit and reputation lost, and great part of the country; and a powerful foreign enemy advancing upon us, are so many difficulties we cannot surmount them." - Benedict Arnold On October 7, 1777, Benedict Arnold rode out against orders and led an American assault against British forces led by General John Burgoyne in one of the climactic battles of the Revolution at Saratoga, the ultimate turning point of the war. Near the end of the most important American victory of the Revolution, Arnold's leg was shattered by a volley that also hit his horse, which fell on the leg as well. Arnold would later remark that he wish the shot had hit him in the chest. If it had, Benedict Arnold would be remembered as one of America's greatest war heroes, and probably second only to George Washington among the generals of the Revolution. In fact, when Arnold was injured at the height of his success in October 1777, he had been the most successful leader of American forces during the war. Arnold had been instrumental in the seizure of Fort Ticonderoga in 1775, he constructed the first makeshift American navy to defend Lake Champlain and delay British campaigning in 1776, and he was the principal leader at Saratoga in 1777. Even his unsuccessful campaign to Quebec in the winter of 1775 is remembered primarily for the amazing logistical feats undertaken by Arnold and his men to even reach the target. History has accorded Arnold his fair share of credit for the fighting he participated in from 1775-1777. The problem is his contemporaries did not. Arnold was better on the field than any other American general in those years, but his mercurial personality rubbed some the wrong way, and other self-promoting generals, from Ethan Allen to Horatio Gates, credited themselves with success at Arnold's expense. Meanwhile, the Second Continental Congress frequently if inadvertently slighted Arnold, failing to duly promote him in a timely fashion and failing to pay him four years of back pay even as he spent his own private fortune training, equipping, and feeding his army and navy. Historian William Sterne Randall estimates Congress shorted Arnold out of the equivalent of \$275,000. Today, of course, all of that has been overshadowed by Arnold's treacherous plot to turn over West Point to the British in 1780. The infamous plot came about while Arnold convalesced as the military governor in Philadelphia, where he met and married the Tory-affiliated Peggy Shippen. Arnold grew more concerned about the patriot cause, and combined with the perceived insults, exposure to Loyalist leanings, and another Congressional rebuke for living extravagantly in Philadelphia, Arnold decided to secretly offer his services to the British. As every American knows, Arnold's plot was uncovered, and he barely escaped to the British side, where he was just as distrusted and nearly as despised. Though he would serve as a brigadier-general for the British through the end of the war, his personal fortune and reputation were permanently tarnished. The man who could have been one of his country's greatest heroes became its most despised traitor. *The Patriot Traitor: The Life and Legacy of Benedict Arnold* chronicles Arnold's life and military career, but it also humanizes the man and offers an objective look at Arnold's treachery and plot in an effort to separate fact from legend. Along with pictures of important people, places, and events in his life, you will learn about Arnold like you never have before, in no time at all.

Benedict Arnold Nov 29 2019

Benedict Arnold Oct 21 2021 *Benedict Arnold: A Drama of the American Revolution in Five Acts* Benedict Arnold was the greatest combat soldier of the American Revolution. Yet, in September 1780, in collusion with the beautiful Tory agent Peggy Shippen and British spy master John Andre, he attempted to betray George Washington, the Marquis de Lafayette, Alexander Hamilton, and the critical fortress of West Point into Royal hands. This devastating plot came within a hair's breath of succeeding, and the fragile infant American cause was only saved by the chance intervention of three of the humblest and most improbable heroes ever to grace the annals of history. Exciting and dramatic, the tale of the Arnold conspiracy recounts the most perilous moment in the birth of the new nation, and plumbs the depths and the heights of human nature. Now, in the historically accurate play, *Benedict Arnold*, noted scientist and author Robert Zubrin brings this incredible and still meaningful story back to life.

Thirteen Charges Against Benedict Arnold May 04 2020 Years before General Benedict Arnold betrayed the American cause, a young officer and attorney named John Brown brought 13 charges of misconduct against him and called for his arrest. Brown was shuttled from one general to another, and finally to George Washington, before powerful politicians decided in Arnold's favor without hearing from Brown or any other witnesses. Historians have continued to ignore the accusations, finding Brown's charges to be false, and even absurd. In fact, some are unquestionably true, and all are worthy of investigation. John Brown was an early hero of the Revolution, a legislator, envoy, spy, and accomplished field officer. His charges and his many proposed witnesses are a starting point for a reevaluation of Arnold's conduct in the war—on his storied march up Maine's Kennebec River to Canada, during the winter siege of Quebec, and at the battles of Valcour Island and Saratoga. What emerges from Brown's charges is a story of deceit and

misconduct, and of prominent leaders and historians turning a blind eye in order to maintain exciting myths.

The Real Benedict Arnold Jan 30 2020 Provides a comprehensive look at the life of this American army officer and hero who turned traitor and the motives that led him to do what he did through letters, memoirs, and political documents from that period in history. 25,000 first printing.

George Washington and Benedict Arnold Feb 22 2022 From 1775 through 1777, George Washington and Benedict Arnold were America's two most celebrated warriors. Their earlier lives had surprisingly parallel paths. They were strong leaders in combat, they admired and respected each other, and they even shared common enemies. Yet one became our greatest hero and the other our most notorious traitor. Why? In the new paperback edition of *George Washington and Benedict Arnold: A Tale of Two Patriots*, author and military historian Dave Palmer reveals the answer: character.

The Life of Benedict Arnold Jan 12 2021 This biography, written by a distant relative of Colonel Benedict Arnold, tries to balance his great achievements with his later treason. The author seems sympathetic to the sequence of events which seems to have driven Arnold down the path he eventually followed.

The Real Benedict Arnold Oct 28 2019 This biographical sketch of Benedict Arnold includes all aspects of Colonel Arnold's life. It not only highlights his treason, but also his heroic work in the Continental Army and the path he took to reach that traitorous turning point.?

Dark Eagle Sep 27 2019 What caused Major General Benedict Arnold to become a traitor? ;s a question that only a few have labored over. Many aren't aware that he was ever a hero and a great patriot, but he was ... perhaps our greatest. If he had died at the battle of Saratoga, his exploits on the behalf of this country would have deemed a day of recognition; a national holiday that would have been celebrated to this day. Now some two hundred and nineteen years after the West Point incident, few other than historians, remember the man, but all know that he was a traitor. Many do not know the circumstances of his sedition, but nevertheless his name is synonymous with treason. His heroic exploits have been forgotten and all we remember is the treason. On the battlefield at Saratoga, a lone monument stands in memorial of this man, but there is no mention of his name on the engraving. This book by no means condones his treason, but explains the reason why this great man became a traitor to the country he loved. Fighting for our country's independence started longer before July 4, 1776 and Benedict Arnold was there at the very beginning where our story also begins. The seaport of New Haven Connecticut is his home and he is a prosperous young man with a family. He is loved dearly by the townspeople, adored by his children and sister. His relationship with his wife is somewhat strained as she is an extremely cold individual who seems to have drawn away from family and friends to live a secluded life within her own mind. This is the time of Lexington and Concord and Arnold, leader of the New Haven Militia and the Sons of Liberty, calls his militia to arms to aid the patriots in driving the British back to Boston. This is the beginning for Benedict's valiant career, followed by his heroics at: Ticonderoga, St. Jean, Crown Point, Kennebec, Quebec, Montreal, Skenesboro, Valcour Bay, Ridgefield, Oriskany, and Saratoga. The leaders, both American and British, praised his military genius. The public worshiped this charismatic man, but he had many enemies. Others were jealous of his achievements and sought to discredit him at every turn. During these early years his wife dies of an unknown ailment. At the battle of Saratoga, he suffered a musket shot to his left hip shattering his bone. The leg should have been amputated, but Arnold refused, knowing he could never sit a horse again with one leg and therefore would be of no use to his beloved country. It took almost a year for the leg to heal and even so, he was in constant pain for which he took tincture of laudanum. His left leg was two inches shorter than the right. In Philadelphia, which has been taken by the British, the Loyalists are deriving joy from the British occupation. Lavish parties are enjoyed by all, but especially by Peggy Schippen, daughter of Judge Schippen. Her dream, which she feels is her destiny in life, is to marry the titled heir to British wealth. She and her lover Captain John Andre attend all the parties, but soon this will soon end as the British leave Philadelphia. Due to his unyielding leg problem, Benedict is still unable to enter into battle, as leader of Washington's left flank, a position of honor. Washington places Benedict Arnold as military governor of Philadelphia, a hot bed of Loyalist intrigue. The Americans have parties as well, and at the Second Annual Fourth of July celebration, Benedict Arnold meets Peggy Schippen and falls in love with this Loyalist beauty, once called the most beautiful woman on two continents. While Peggy is seen on the arm of General Arnold, she is secretly seeing John Andre who is now a Major and the head of British espionage in New York.

Benedict Arnold Dec 11 2020 He was popular with his troops. And he was such a good soldier that Benedict Arnold became a major general in the Colonial Army. So how did a Revolutionary hero become known as one of the earliest spies in U.S. history?

Benedict Arnold Aug 26 2019 Follows the rise and fall of Benedict Arnold, America's most famous traitor. Traces Arnold's life from his wealthy, upper-class childhood to his betrayal of the American Continental Army during the Revolutionary War. Explains Arnold's legacy in our society today.

Treacherous Beauty Apr 02 2020 The first biography of Peggy Shippen-Benedict Arnold's wife, beautiful society girl, and traitor to the American Revolution.

Benedict Arnold's Navy May 16 2021 Aims to demonstrate America's fascination with its founding fathers and the birth of the nation.

The Late Years of Benedict Arnold Jul 18 2021 The life of Benedict Arnold, the American Revolutionary War general who attempted to surrender West Point to the British in 1780, didn't end after he betrayed his American compatriots. In the newly formed United States, he was condemned as a conspirator and in Britain, he was suspected of the same. He quickly left America, spent a short time in London, and largely operated in Canada and the Caribbean as a smuggler, a mercenary and a pariah. Although much has been written about Arnold's famous fall from grace, this book is the story of a charismatic man of vaulting ambition. With new research and photographs, it delves into his last twenty years. Arnold remains fascinating as a toppled hero and a flagrant traitor. Another American general wrote in the 1780s that Arnold "never does anything by halves"; indeed, he lived on a big scale. This study documents each of the various points of the globe where the restless Arnold operated and lived, pursuing wealth, status, and redemption.

Benedict Arnold Jan 24 2022 Profiles the life of the man who betrayed his country and became known as a traitor.

Abductions in the American Revolution Jul 06 2020 The tactic of kidnapping enemy leaders, used in the recent wars in Iraq and Afghanistan, dates to the American Revolution. George Washington called such efforts "honorable" and supported attempts to kidnap the British commander-in-chief (twice), Benedict Arnold (after he turned traitor) and Prince William Henry (a future king of Great Britain). Washington in turn was targeted at his Morristown winter headquarters by British dragoons who crossed the frozen Hudson River. New Jersey Governor William Livingston performed a patriotic service by going to considerable lengths to avoid being abducted by the Loyalist raider James Moody. Sometimes these operations succeeded, as with the spectacular captures of Major General Charles Lee, Major General Richard Prescott, Brigadier General Gold Selleck Silliman, and North Carolina's governor Thomas Burke. Sometimes they barely failed, as with the violent attempt by British secret service operatives against Major General Philip Schuyler and the mission by British dragoons against Thomas Jefferson. Some of the abducted, such as signer of the Declaration of Independence Richard Stockton and Delaware's governor John McKinly, suffered damage to their reputations. The kidnapper risked all—if caught, he could be hanged. This book covers more than thirty major attempted and successful abductions of military and civilian leaders from 1775 to 1783, from Maine to Georgia, and including two in Great Britain.

Benedict Arnold Dec 31 2019 In graphic novel format, tells the story of Benedict Arnold's heroism and betrayal during the American Revolution.

Benedict Arnold in the Company of Heroes Nov 21 2021 This "gripping" history recounts the lives of American patriots who were a part of Arnold's failed Canadian invasion during the Revolutionary War (Thomas Fleming, author of *Liberty! The American Revolution*). Hundreds of men followed Col. Benedict Arnold in an expedition to capture Quebec in 1775. After Arnold was wounded, his troops found themselves outnumbered and trapped inside the city. Award-winning author and Revolutionary-era historian, Arthur S. Lefkowitz takes a close look at some of the brave veterans who fought in Arnold's failed campaign and explores the extraordinary lives they led afterward. In *Benedict Arnold in the Company of Heroes*, Lefkowitz paints vividly detailed portraits of early American patriots who continued their fight for independence after Arnold's campaign. Some of the men portrayed include Charles Porterfield (who led troops at Brandwine); Daniel Morgan (the hero of Cowpens); Henry Dearborn and Timothy Bigelow (who fought alongside Arnold at Saratoga); Christian Febiger and Return Jonathan Meigs (who were at the forefront of the attack on Stony Point); Simeon Thayer (who refused to surrender at Fort Mifflin); and Col. Aaron Burr (whose wartime record was overshadowed by his later political career and duel with Alexander Hamilton). Benedict Arnold in the *Company of Heroes* "will delight readers who are looking for something new about the War of Independence" (John Ferling, author of *Almost a Miracle: The American Victory in the War of Independence*).
