*The Half-Made World* Sep 07 2020 The world is still only half-made. Between the wild shores of uncreation, and the ancient lands of the East lies the vast expanse of the West---young, chaotic, magnificent, war-torn. Thirty years ago, the Red Republic fought to remake the West---fought gloriously, and failed. The world that now exists has been carved out amid a war between two rival factions: the Line, enslaving the world with industry, and the Gun, a cult of terror and violence. The Republic is now history, and the last of its generals sits forgotten and nameless in a madhouse on the edge of creation. But locked in his memories is a secret that could change the West forever, and the world's warring powers would do anything to take it from him. Now Liv Alverhuysen, a doctor of the new science of psychology, travels west, hoping to heal the general's shattered mind. John Creedmoor, reluctant Agent of the Gun and would-be gentleman of leisure, travels west, too, looking to steal the secret or die trying. And the servants of the Line are on the march.

*Putin's Kleptocracy* Nov 29 2019 The raging question in the world today is who is the real Vladimir Putin and what are his intentions. Karen Dawisha's brilliant *Putin's Kleptocracy* provides an answer, describing how Putin got to power, the cabal he brought with him, the billions they have looted, and his plan to restore the Greater Russia. Russian scholar Dawisha describes and exposes the origins of Putin's kleptocratic regime. She presents extensive new evidence about the Putin circle's use of public positions for personal gain even before Putin became president in 2000. She documents the establishment of Bank Rossiya, now sanctioned by the US; the rise of the Ozero cooperative, founded by Putin and others who are now subject to visa bans and asset freezes; the links between Putin, Petromed, and "Putin's Palace" near Sochi; and the role of security officials from Putin's KGB days in Leningrad and Dresden, many of whom have maintained their contacts with Russian organized crime. *Putin's Kleptocracy* is the result of years of research into the KGB and the various Russian crime syndicates. Dawisha's sources include Stasi archives; Russian insiders; investigative journalists in the US, Britain, Germany, Finland, France, and Italy; and Western officials who served in Moscow. Russian journalists wrote part of this story when the Russian media was still free. "Many of them died for this story, and their work has largely been scrubbed from the Internet, and even from Russian libraries," Dawisha says. "But some of that work remains."

Closing Time Jul 06 2020 A darkly comic and ambitious sequel to the American classic *Catch-22*. In *Closing Time*, Joseph Heller returns to the characters of *Catch-22*, now coming to the end of their lives and the century, as is the entire generation that fought in World War II: Yossarian and Milo Minderbinder, the chaplain, and such newcomers as little Sammy Singer and giant Lew, all linked, in an uneasy peace and old age, fighting not the Germans this time, but *The End*. *Closing Time* deftly satirizes the realities and the myths of America in the half century since WWII: the absurdity of our politics, the decline of our society and our great cities, the greed and hypocrisy of our business and culture -- with the same ferocious humor as *Catch-22*. *Closing Time* is outrageously funny and totally serious, and as brilliant and successful as *Catch-22* itself, a fun-house mirror that captures, at once grotesquely and accurately, the truth about ourselves.

*The Signs Were There* Sep 27 2019 When companies suffer a dramatic even catastrophic drop in their share price, it is the investors who lose their shirts and employees their jobs. But often, a company's published accounts offer clues to impending disaster, providing you know where to look. Through the forensic examination of more than 20 recent stock market disasters, Tim Steer reveals how companies hide or disguise worrying facts about the robustness of their business. In his lively style, he looks at the themes that underlie the ways companies hide the truth and he stresses that in an assessment of a company's accounts, investors should always bear in mind that the only fact is cash; everything else - profit, assets, etc - is a matter of opinion. Full of invaluable lessons for investors, the book concludes with some trenchant observations on what is wrong in the worlds of investment, audit and financial regulation, and what changes should be introduced.

Mustache Shenanigans Jun 16 2021 Director, writer, and actor Jay Chandrasekhar tells the hilarious stories behind his films *Super Troopers* and *Super Troopers 2* (out on 4/20/2018!), the history of his comedy group, Broken Lizard, and everything in between. Jay Chandrasekhar has spent the past two decades writing, directing, and acting in film and TV. With his comedy group, Broken Lizard, he has produced and directed beloved movies such as *Super Troopers*, *Beerfest*, and *Club Dread*. Now, with the upcoming release of the long-awaited *Super Troopers 2*, Jay is ready to tell the ridiculous, madcap, dead-honest story of how he built his career, how he formed Broken Lizard, and, ultimately, how he made *Super Troopers*. Jay grew up Indian American in the lily-white suburbs of Chicago, and he had an outsider's perspective from the beginning. Instead of taking the traditional acting path, he formed his own troupe, wrote his own scripts, and made movies his own way. And he had an incredibly good time doing so as readers will learn in this hilarious story about making it in Hollywood and directing, cowriting, and costarring in one of the best-loved and most-watched comedies of all time. Part humorous memoir, part film study, this book will inform, entertain, and tell readers what drinking multiple bottles of maple syrup is really like.
